## Bob McDonough Wins Laurel Speedway Race

Laurel Speedway, Laurel, Md., Oct. 26.—Bob McDonough, the young Irish automobile racer, won the 250-mile race and \$25,000 purse Monday. He failed to break the world's record for distance by only a few moments. His unofficial time was 125.7 miles an hour.

Close behind in the order named Peter De Paola, Tommy Milton and Ralph Hepburn. Of the 16 entrants De Paola, Milton and McDonough were considered the class with much money being wagered on the Italian.

McDonough's time for the completed course was 1 hour, 59 minutes and 27 seconds. Tommy Milton's time was 2 hours, 1 minute and 45 seconds. Fred Wagner, the starter, said the winner's time was a little slower than Milton's when he established the world's record at Culver City.

The race, originally scheduled for Saturday but postponed because of rain, was held over a pine board track now as dry as a chip from winds that followed the rains.

Race positions were drawn by lot. No trials were held.

The race was more or less a feud

## Are You Tortured By Indigestion?

There is more real suffering in indigestion than in almost any other human ailment. Constipation, sour stomach, gas, distress, heart-burn, shortness of breath, pain and burning sensation in the stomach—all these things pursue the victim until the very sight of food nauseates him. Vienna has lifted this curse from thousands of tortured sufferers. It acts upon sluggish bowels, torpid liver, and weak kidneys. Right away, you can tell it's doing you, and before long, you feel like a different person. You eat fearlessly and with appetite, you get restful sleep, you walk with a new stride, and you know what it is to enjoy vigorous health. Will you give it a chance?

between McDonough and De Paola. Last July the two raced on the Laurel course and due to incorrect timing everyone left the race under the impression that McDonough was the winner. The following day it was announced that De Paola had won.

the state of affairs of French finances arising from the failure of the French internal loan to come to expectations and from the fear of new inflation in any measures Caillaux could present. ### Wills' Two-Minute Win Over Johnson Questioned

By Henry L. Farréll, (U. P. Staff Correspondent)

New York, Oct. 27.—Official investigation by New Jersey boxing authorities is expected to be made into the two-minute victory which Harry Wills, negro heavyweight challenger, scored over Floyd Johnson, Iowa heavyweight, last night in Newark.

Ten thousand fans who packed the big armory roared in protest and derision when a towel came sailing in from Johnson's corner before the contest had a good start.

Wills following his usual style of holding with his long left arm and pounding the body at close quarters with his right had backed Johnson into his corner and was plastering him with body punches when Charley Cook, Johnson's manager and chief second, tossed the towel in the ring.

Johnson was on his feet at the time and looked to be in no immediate danger and he was almost as surprised and as stunned as the crowd when the referee told him he was

through for the evening.

He made a protest that he wanted to continue but it was only a gesture and he seemed perfectly content when he left the ring.

### ALONG THE SIDELINES

Bloomington, Ind. — Indiana's full squad went through the Miami game without an injury and is in fine shape to meet Northwestern. Freshmen are using Purple formations against the varsity.

South Bend. — Only the third and fourth teams participated in Notre Dame's first practice this week. Those who played against Minnesota were excused after a brief workout.

Lafayette, Ind. — Coach Phelan toiled with Purdue's defense, having

the freshmen use Chicago plays against the varsity. All Purdue wants is a dry field. It has a light squad and the men are not "mudders."

Evanston, Ill. — Northwestern received plenty of advice. Every one on the coaching staff took the stump to tell the Wildcats what was wrong with them in the Tulane game. The lectures and signal drills filled the afternoon.
