KANGAROOS MEET PLEASANT MILLS

Two Adams County Basketball Teams Play Here Friday Night

The Kirkland Kangaroos have five games on their schedule for the month of November. The following teams will be met in the order named, Pleasant Mills, Chester Center, Ossian, Decatur and Rock Creek. The first two named probably will form the least opposition, but none of them will be a set-up, either way.

The wearers of the green and gold will meet Pleasant Mills in the old gym here, Friday evening. The Kangaroos have lost two games in as many starts, but they hope to break in on the win column by registering a win over the St. Marys township opponents. The Kangaroos played a much improved brand of ball in the Lancaster game. After they once hit their stride the Adams county lads were continually on the heels of the district champs.

There will be two preliminary games. The boys' second team and the girls' teams will play in the other contests. The Kirkland reserves will attempt to turn in their second victory in as many starts by winning over the Pleasant Mills seconds. The reserves have a well balanced team as was shown by their 12 to 6 victory over the Rock Creek seconds. The girls game seems to be a toss-up. The Kirkland lassies won from Pleasant Mills last year by one point and hope to repeat.

Monroe To Play At Lancaster Friday Night

Coach Montgomery will take his Monroe high school basketball team to Lancaster Friday night to battle the champion Bob Cats. Lancaster

opened the season last week by defeating the Kirkland quintet and is said to be strong this year. Monroe has played two contests already this season, dropping two hard-fought games to Berne.

LEADERS TO OPEN SEASON TUESDAY

Local Basketball Team To Travel To Portland For Initial Contest

The Decatur Leaders will make their 1925-26 debut next Tuesday night in a contest with the Portland Independents in the Armory at Portland. The Leaders have been practicing twice each week for the last few weeks and are rapidly rounding into condition for their initial tilt.

The players working out with the Leaders this year are "Tabby" Andrews, Webb Oliver, "Bill" Crist, Linn Shirk, Earl Christen and "Sheener" Miller. Andrews, Oliver, Crist and Shirk performed with the Leaders last season, while Christen and Miller were stars with the Catholic high and Decatur high teams last year.

The Portland team opened its season Tuesday night of this week with a 28 to 27 victory over the Hartford City Independents. Portland was scheduled to play a team from Huntington but the game was cancelled. Gullion, former Purdue star and coach at Hartford City high school, played center for Hartford City. Utery starred for Portland with five field goals and one free throw to his credit. The lineup and summary of the game was as follows:

Linn Grove Aces Defeat Petroleum Quintet, 19-14

The Linn Grove Aces defeated the Petroleum Independents in a hard-fought basketball game at Linn Grove Tuesday night, the final score being 19-14. Both teams lacked team work and accurate basket shooting, but this is explained by the fact that the season is still young.

The first half ended with Petroleum leading, 8-6, but the Aces came back in the closing period and forged ahead. N. Reynolds starred for the winners, while Fisher led the Petroleum attack.

Lineup and summary:	
Aces (19)	Petroleum (14)

Field goals—N. Reynolds 5, Studler 2, Fisher 4, Kirkwood 1, Elston 1, Settles 1. Foul goals—L. Runyon 1, N. Reynolds, 2, O. Runyon 2. Foul goals missed—Fisher 2, Kirkwood 2, Settles 2, Elston 1, Runyon 1, Studler 1.

Game Wardens Arrest 1,854 Persons In Year

Wardens of state conservation department arrested 1,854 persons during fiscal 1925 which closed September 30, and convicted 1,705 who paid fines and costs amounting to \$33,709.50, according to the annual report of George N. Mannfeld, superintendent of the fish and game division, just filed with Richard Lieber, conservation director. Seventy-nine cases were dismissed and 70 remain to be tried.

There was a decrease of 436 arrests this year over fiscal 1924, the report shows, leading to the belief that the public is less prone to violate the laws, realizing that a plentiful supply of fish in public waters and game in fields and woods, are a state asset attracting many thousands of persons into the open with attendant benefits to everyone.
