## TWO UNDEFEATED TEAMS TO MEET

### Dartmouth And Cornell To Battle Saturday; Other Games Hold Interest

By Henry L. Farrell  
(U. P. Staff Correspondent)  
New York, Nov. 5.—(United Press)—One of the six major undefeated teams, striving for sectional and national honors, will be forced out of the select group Saturday when Dartmouth and Cornell meet up in the mountains at Hanover.

Dartmouth can put forward a strong claim for national recognition if the team passes undefeated through a schedule that contained games with Harvard, Brown, Cornell and Chicago. Syracuse, another of the eastern candidates, goes out of the family circle by an intersectional game against Ohio Wesleyan, one of the strong Ohio conference teams. Syracuse ought to win.

Michigan, regarded by all the critics who have seen the team in action as the strongest eleven on the field, plays Northwestern, one of the weaker teams of the Western conference. With Northwestern, Ohio State and Minnesota ahead, only a severe mental let-down can keep Benny Friedman and company from the conference title.

The complicated situation in the Pacific coast conference may be straightened out—partially when Washington meets Stanford and California meets Washington State.

Several other games, including Notre Dame against Penn State, Washington and Jefferson against Pittsburgh, and Princeton against Harvard will command interest.

### Portland H. S. Cagers Are Hard At Work

Portland, Nov. 5.—Coach Donovan has cut his basketball squad down to fifteen players, who are now practicing nightly at the armory in preparation for the first game of the season with Union City, here, on Friday evening, November 20, a week after the curtain falls on the football season.

The men still remaining on the squad are Bob and Francis Brubaker, Jetter, Bob and Ward Bergman, Renner, Brigham, Browning, Elliott, Wilt, Drake, Martin, Long and Hlatt. As soon as the football season ends the following gridiron players will come out for the net quintet. McGriff, Holmes, Ashcraft, Jaqua, Goodman, Hunt, Hardy, Weisel, Prillaman, Jel-Lison and Leonard.

This material will give Coach Donovan a wide range of selection and those who have been watching the practice sessions believe that the team this year should be better than the five that represented the Purple last season.

At last the way has been found to combine Pepsin with other corrective stomach agents so that it will do the most good in the shortest possible time.

Why bother with slow actors when one tablespoonful of this splendid and pleasant liquid remedy will cause gas, bloating, heaviness, heartburn or any upset condition of the stomach to speedily vanish.

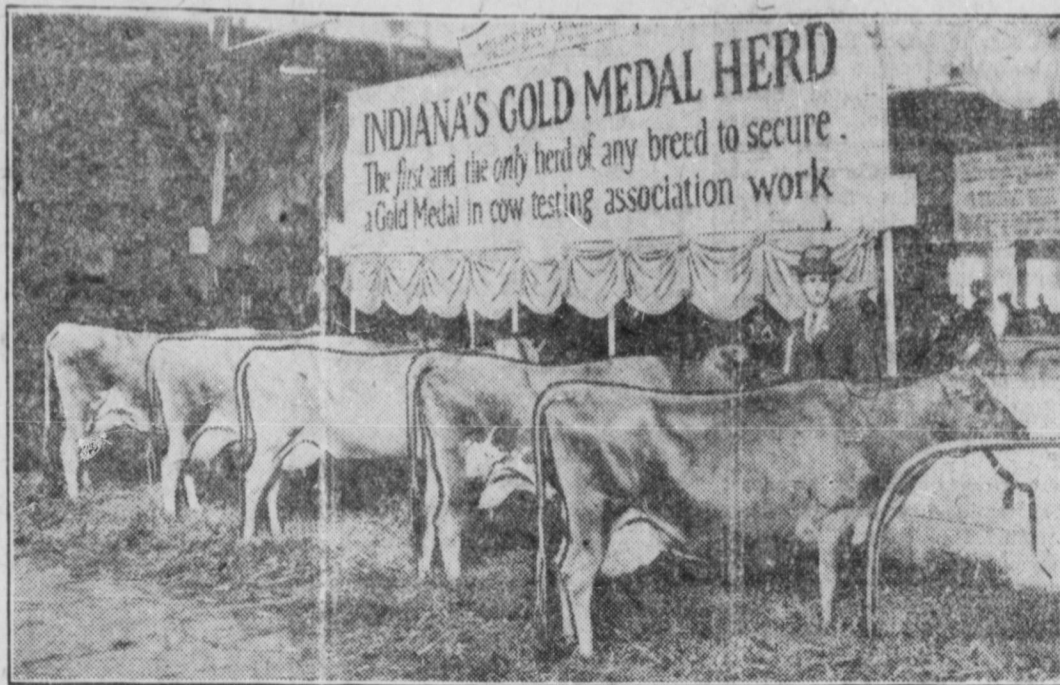

And why should any man or woman suffer another hour with indigestion or any stomach misery when the remedy that acts almost instantly can be easily procured?

But there is more to say about this remarkable remedy—something that will interest thousands of despondent people.

Dare's Mentha Pepsin not only quickly relieves stomach distress, but it also conquers stubborn indigestion, dyspepsia and gastritis, and puts an end to dizziness, nervousness, headache, sleeplessness and despondency which distressing troubles are nearly always caused by chronic stomach disturbance.

Dare's Mentha Pepsin is pleasant to take, has a delightfully refreshing taste and after it has put your stomach in a clean and healthy condition just notice how much better you look and feel, for besides correcting stomach disorders this supremely good remedy that the Holthouse Drug Co. and druggists everywhere guarantee, is a fine tonic that builds you up and makes you perk with vim, eat with relish and sleep soundly.

### Indiana's Gold Medal Herd

At the National Dairy Show, which has just closed at Indianapolis, much interest was displayed in the pure bred Jersey herd owned by R. W. Riggs of Inglesfield, Indiana. This herd is the first and only herd of any breed to secure a gold medal in cow testing association work. To win this highest award six cows in this herd produced over 500 pounds of butter-fat in one year, while four others produced over 300 pounds of fat in one year.

Mr. Riggs is a quiet, unassuming farmer who formerly kept only grade cattle. Some seven years ago he exhibited a few head at his local fair and won highest honors. The blue ribbon went to the cow carrying the purest blood. Mr. Riggs thought that this was particularly significant. He said, "If the highest grade is my best cow, sure breeds should be better. I will build up a herd of pure breeds." From that time on registered Jerseys gradually replaced the grades, and this year the Riggs herd proved itself to be a really outstanding dairy herd, the only one of its kind in the Hoosier State.

### ALONG THE SIDELINES

Chicago. — "Beat Illinois," is the slogan on the University of Chicago campus. The team is in good shape, and about all that remains to be done is the "keying." Stagg, the students, and the alumni are doing that.

Champaign. — Coach Zuppke is still excluding everyone, including newspapermen, from the practices. About the same lineup that went against Penn last week is expected to go against Chicago Saturday.

Evanston, Ill. — "Moon" Baker is calling the signals for the Northwestern team from halfback. With "Moon" back in the game Northwestern fans are confident of a good showing against Michigan varsity. Karow and Marek are the only backs who have shown satisfactory action this week.

Bloomington, Ind. — Followers of Indiana are looking to Captain Larry Marks as the man who will cross the Ohio goal line Saturday. Marks hit his stride in the Northwestern game.

Madison, Wis. — Every Wisconsin athlete slated for service in the Iowa game Saturday, is in good shape. Inclement weather forced the squad indoors yesterday. Coach Little has several different backfield combinations to be used against the Hawkeyes.

Lafayette, Ind. — The whole repertoire of the Purdue attack is receiving a thorough workout this week. Isley, a halfback, has been shifted to fullback. Hanton, a backfield reserve, out for two weeks, has returned to the squad.

Iowa City. — A defense calculated to stop the running tactics of Doyle and Leo Harmon of Wisconsin, is being used by Coach Ingwersen this week.

South Bend, Ind. — The frosh, using Penn State plays, are being stopped dead by the Notre Dame varsity. Coach Rockne isn't letting this put overconfidence into the team. He told the players that the Penn State team won't be a frosh attack.

Ann Arbor, Mich. — Michigan's lineup against Northwestern may be

different from the one that drubbed the Navy. Friedman may be the only regular back to start the game and a couple of switches are looked for in the line.

Anderson — Anderson's new \$75,000 Masonic temple will be dedicated Nov. 22. Senator Arthur R. Robinson of Indianapolis and former Governor Durbin of Anderson will speak.
