Daily Report Of Local And Foreign Markets

Opening Grain Review
Chicago, Nov. 7.—Grains had another mixed opening on the board of trade today.

Speculative action was responsible for erratic fluctuations in wheat. The way offers of nearby grain were absorbed yesterday encouraged buying among shorts. Distant options were heavy. Largest operators declare they could observe nothing on which to base action in either direction.

Short interests covered in corn. Oats were unchanged. Provisions held firm.

SHRINERS PLAN FOR DEDICATION

Decatur Men Attend Meeting At Ft. Wayne And Aid With Arrangements

C. C. Pumpfrey and F. I. Patterson were in Fort Wayne Friday evening, attending an important meeting of Shriner, called for the purpose of taking final action in connection with the dedication of the new Mizpah Temple and auditorium. The occasion was a dinner event held at the Shrine club house followed by reports of Shriners from many cities and towns of Northern Indiana, showing that a large number of men from those places will be members of the "dedication" class which will be accepted into the Shrine on the evening and afternoon of Thursday, November 19.

One of the interesting features of Friday evening's event was an advance visit to the New Mizpah auditorium in which the dedication service and ceremonial will be held on November 18 and 19, and in which the opera "Aida" will be presented by the Chicago Grand Opera Company on the night of November 20. This great building, which will be ready for use when dedication day comes, impressed the visitor, even now, as one of the most beautiful large auditoriums in this part of the country. The 2,400 opera-seats are arranged in amphitheatre form on the terraces which enable each member of the audience to have an unobstructed view of the great stage which has a width of 65 feet and a height of 35 feet. The acoustics are perfect, a feature which has been worked out from the beginning.

Wives of Decatur Shriners will be glad to know that the ladies are to be well cared for on the occasion of the events of November 18, 19 and 20. The imperial potentate's ball on the evening of Wednesday, November 18, and the reception, banquet and evening of "music and smiles" on November 19, and the cabaret dance following the opera on the night of November 20, are all outstanding affairs of special interest to the ladies who will go to Fort Wayne for the event.

Congressman Uptake Is Discharged From Hospital

Danville, Ill., Nov. 7.—While Congressman Ralph Uptake of Indiana was discharged from the hospital last night, Ned Russell, driver of the automobile which was wrecked while on the way to Chicago with Uptake and others, is still in a serious condition, hospital attendants said. The machine turned over several times while speeding around a curve near here yesterday. Thomas Bledsoe, Indianapolis police sergeant, and Edward Uptake, Indianapolis business man, are suffering from severe injuries that will keep them in bed for several days, physicians said. It was first feared that Russell had sustained a broken neck, but X-ray pictures disproved this. He is expected to recover. Edward Uptake is not a relative of Congressman Uptake.

Court House

Petition Is Overruled
The petition of William L. Jones, prominent Fort Wayne business man, for permission to take his children from the custody of his wife for a visit with him at regular intervals, was overruled by Judge Sutton in circuit court yesterday.

A suit for divorce, filed by Mrs. Jones, is pending in court here, having been sent to this county from Fort Wayne on a change of venue. During the hearing Mrs. Jones stated that her husband was welcome to come to her home and visit with the children at any time; but she objected to him taking them away. In the suit pending, Mrs. Jones asks for a divorce, the custody of the children and \$100,000 alimony.

Estate Settled
In the estate of Jehu Smith, the final report was approved, the administrator discharged and the estate settled.

Distribution Ordered
In the estate of Caroline Bulger, the final report was approved and the distribution ordered.

To Convey Real Estate
A petition filed by Ruth Faye Clark and Arthur P. Clark, to convey certain real estate to Estella Huston was heard by the court today and the petition granted. The deed to the real estate was filed and approved.

Harvard To Battle Princeton Tigers Today

By Henry L. Farriell,
(U. P. Staff Correspondent)
Princeton, N. J., Nov. 7.—(United Press).—The first of the games of the Big Three, that once hallowed gridiron trinity which has lost its prestige but gained in tradition, will be fought out today in Palmer stadium when the bearers of the Harvard Crimson invade the fair of the Princeton Tiger.

There were the usual legions of battle-thirsty fans gathered to see two enemies meet in a conflict that meant little to the south, the middlewest and the Pacific coast, but a duel that ranked as one of the biggest encounters of the year to Princeton and to Harvard.

They swarmed around the narrow streets of this little college town; the bare-headed upper classmen of Princeton; the fur coated old grads, who stepped out of palatial cars against the curb and asked:

"How much can I bet and how much do you boys need?"

It seemed to be a Princeton day. There were red feathers, with a white "H" sticking in the hats of many Harvard men and they were the target of all the hot shots that Princeton had stored through a season that had not been one of Princeton's best. Princeton has won 15 of their annual battles, Harvard has won nine and three games resulted in ties.

Purdue Meets Franklin

Lafayette, Ind., Nov. 7.—Purdue's Boilermakers are determined today to wipe out the memory of the 14 to 14 tie score which resulted in the last game between Franklin and Purdue in today's battle.

Indications were that Coach Phelan would start his reserves against the Baptists. Should the regulars start the reserves will get into the fray later in the contest.

Frozen Gridiron For Butler-Minnesota Game

Minneapolis, Min., Nov. 7.—(United Press).—Barring a sudden change of temperature, a frost coated gridiron will make hard landing for Minnesota and Butler warriors, scheduled for a non-conference battle at Memorial stadium. Dopesters are favoring the Gophers.

Accountants To Hold Convention In Indianapolis

Indianapolis, Nov. 7.—Accountants representing six states are expected to attend the annual convention of the ninth region of the American Institute of Accounting here November 16. Preparations are being made to care for at least 150 delegates from Ohio, Michigan, Indiana, West Virginia, western New York and western Pennsylvania.

James S. Y. Ivins, of Washington, D. C., former member of the tax board of appeals and A. A. Balletine, of New York, former solicitor of internal revenue, will be the principal speakers at the meeting.

INDIANA PURDUE GAME ANNOUNCED
Bloomington, Ind., Nov. 7.—Plans for broadcasting the Indiana-Purdue football game to be played here November 21 have been completed.

The play-by-play story of the contest will be broadcast from station WLS, Chicago, through a special arrangement with telephone companies which will furnish special long distance wires for the day.

New Piano Factory To Begin Work At Muncie

Muncie, Ind., Nov. 7.—Muncie's new piano industry, the Delaware Piano company, which recently took over the abandoned property of the Bell Piano Company will begin operation within a short time.

More than \$100,000 worth of preferred stock is to be placed on the market in a short time.

When the plant begins work, more than 150 men will be given employment.

Police Get False Tip Regarding Shooting Sheikh

Danville, Ill., Nov. 7.—For the second time this week, local police were called out last night on a tip that Martin Dierkin, Chicago's shooting sheik, was in the city.

Heavily armed policemen surrounded the Union bus station and took into custody a man who tallied with Dierkin's description. He proved to be a Clinton, Ind., tobacco salesman.

Earlier in the week police surrounded a barber shop, only to have the suspect prove innocent identity.

Mr. and Mrs. Dee Fryback are spending the weekend with friends at Indianapolis.

Mr. Winterregg expressed his appreciation of the efforts shown by the Decatur Industrial Association in sponsoring the club work. Ribbons were also given to the calf club members by the Pennsylvania railroad and County Agent L. M. Busche read the standings of the first thirty contestants in the corn club and in the sugar beet club.
