## COUNTY TEAMS TO PLAY THIS WEEK

### Kirkland And Monroe To Play Teams From Other Counties This Week-end

Six Adams county high school basketball teams will be in action next week-end. Two of the teams will travel out of the county for contests, while the other two games will be home affairs. Kirkland's Kangaroos will journey to Chester Center to attempt to hand the Wells county lads another dose of the bitter medicine of defeat dished out by Berne last Friday night. Chester hasn't been going any too good this season and the Kangaroos have been improving, so chances for a Kirkland victory are good.

The Monroe team, defeated in its first three games of the season, will go to Brighton, north of Port Wayne, for a game on Saturday night. The Monroe players are working under the handicap of no place to practice, except for a few minutes each week in the old gymnasium in this city. Coach Montgomery is teaching the boys some basketball, however, and the former basketball hot-bed may burst into flames again before this season is over.

Monmouth will journey to Linn Grove to open its season against the undefeated Hartford township Gorillas. Coach Foley, of Monmouth, doesn't have much opportunity to give his men practice, having to content himself with a few hours each week in the old gym here. The Hartford team is going good this season and Monmouth can hope for little more than to give the Gorillas a good fight.

Pleasant Mills will go to Berne Friday night to attempt to do what hasn't been done yet this season—namely, beat the fast-stepping Bernites. The Pleasant Mills quintet took a drubbing at the hands of the Kirkland team last week-end, but may come back with a vengeance Friday night.

The schedule for Wells county teams this week-end is as follows: Union Center at Bluffton, Friday night; Petroleum at Rockcreek, Friday night; Pennville at Ossian, Friday night; Bryant at Lancaster, Friday night; Liberty Center has an open date.

### ALONG THE SIDELINES

South Bend, Ind. — With tickets sold out for weeks, and the team in good shape for the game, interest is at high ebb here in anticipation of the Carnegie Tech encounter next Saturday. The varsity rested yesterday while other members of the squad went through a workout.

Iowa City, Ia. — "Cowboy" Krntsch is working with the Iowa team. Scouts who have spied on Minnesota are high in their praise of the Gopher line attack. Most of the work so far has centered around a forward wall defense.

Bloomington, Ind. — "Navy Bill" Ingram and his Indians are hard at work preparing for Rose Poly next Saturday.

Lafayette, Ind. — With the squad in excellent shape physically, hard work is the order in the Bollermaker camp this week. The biggest sale of the year is now on for the Northwestern game Saturday. Coach Phelan is concentrating on attack.

Columbus, O. — Coach Wilce is handing out plenty of work in preparation for the Michigan game Saturday. The team expects to be able to enter the game intact, advices having been obtained that Marek and Marty Karow will be well Saturday of injuries sustained last week.

Ann Arbor, Mich. — Though dismay predominates on the campus over the Northwestern defeat Saturday, "Hurry Up" Yost has the boys out going through stiff workouts. The same team that lost last Saturday is expected to start against the Backeyes.

Madison, Wis. — The Badger squad is in good shape after the Iowa game last Saturday. Forward passing, blocking and signal drill comprised yesterday's workout, and regular work will probably be taken up today.

Chicago. — Coach Stagg is priming his Chicago Maroons for the important intersectional clash with Dartmouth Saturday, hoping to increase the prestige middlewestern football gained when Illinois beat Penn and Michigan sank the Navy on the same

day. The outlook on the Chicago campus is gloomy, however.

Champaign, Ill. — Illinois is still too happy over the victory of the team in the Chicago game last Saturday to take any exception to the Maroon joy of gaining more ground. The team took a rest yesterday in celebration of the victory.

Evanston, Ill. — "Moon" Baker is again at his old post in the Northwestern lineup. With a possibility for a conference championship looming for the first time since the days of Paddy Driscoll, the team is worked up to a fever heat.

Minneapolis, Minn. — The Gophers are in a rather bad way from injuries suffered in the game last Saturday. Six of the regulars were excused from practice yesterday and others who were in uniform were not used. It is doubtful if Captain Ascher and Conrad Cooper will be able to play.

### WARNS AGAINST CLOSING SCHOOLS

(CONTINUED FROM PAGE ONE)

venting an epidemic of contagious diseases outlined by the health department head are:

1.—To health officers, let us say again don't close schools except in case of great emergency.

2.—To school authorities, it is your duty to provide competent medical supervision and do it promptly.

3.—To parents, don't fight the health officer and school authorities. It is your duty to co-operate with these officials.

4.—Co-ordinate the work of official agencies and emphasize work of the highest relative value.

5.—Determine and correct the deficiencies in plans and methods of work in health departments.

6.—Work for higher health appropriations.

7.—Seek well balanced health program.

8.—Determine the best objects for popular health programs.

Dr King also urged citizens to apply the "yard stick of professional judgment" to health work.

### Case Against Laverne Heche Is Continued

Bluffton, Nov. 10.—One of the cases of the State vs. Laverne Heche, of Vera Cruz, in which he is charged with selling intoxicating liquor to Sam Gehring, was continued Monday in the Wells circuit court until the next term of court, on motion of the defendant.

This case was tried once in the city court. Following a verdict of guilty, the defendant appealed the case to the circuit court. Other cases against Heche will be heard this term of court.

### Fifteen Persons Injured When Interurbans Collide

Plainfield, Ind., Nov. 10.—(United Press)—Fifteen persons were injured early today when two interurban cars on the Terre Haute, Indianapolis & Eastern Traction lines hit head-on near here.

Most of those injured were from Plainfield. Eight were given medical attention by physicians who hurried to the scene. The others were only cut or bruised.

Motorists of the cars blamed slippery tracks for the crash.

Don't forget the card party and dance at the K. of C. hall tonight. You are invited. 1t

### ENROLLMENT IN SCHOOLS GROWS

(CONTINUED FROM PAGE ONE)

Two of the schools had an attendance of 99.4 per cent. They were district No. 6 in St. Mary's township, taught by Hesse Carter, and the parochial schools in Monroe township taught by Amos Steury and J. D. R. Schwartz.

Following is the attendance report for the different schools in the county, the figures preceding the teacher's name representing the number of the district, the first set of figures following the name representing the enrollment, the second set representing the average attendance and the third set representing the per cent of attendance:

Union Township  
Rudolph Weiland, Trustee

**What's the reason you can't afford a new Overcoat?**

It's alright for you to tell that to us—but you'd fly off the handle if we told you you couldn't afford a new Overcoat this Winter.

Only about 5% of the men who plead this excuse are correct—the other 95% are shielding a threadbare garment with a threadbare alibi, when they should own the happiness that a new Michaels-Stern coat can bring—

Say—what's this life anyway?

If all the money that came into your income stayed in—business would be poor—trade would be stagnant—employment would be lacking.

That's why we ask—what's to prevent you from having a new Michaels-Stern or Manly Overcoat?

Certainly not the price—

**NOTICE**

The dumping of ashes and rubbish in the alleys is strictly forbidden under City ordinance and violators will be prosecuted according to law. Much complaint has come to the city street commissioner of violation of this ordinance and it is with the view of keeping our alleys clean that this ordinance will be enforced.

As a public-spirited citizen please help keep the alleys clean. Nothing reflects on civic pride more than dirty and cluttered up alleys and the city ordinance will be enforced to curb the practice of dumping ashes and rubbish in the alleys.

ORDER OF STREET COMMITTEE.
