### Rooster Perches On Wagon And Celebrates A Democratic Victory

Columbus, Ind., Nov. 13.—(United Press.)—William Boese, Democratic worker, and a driver for a local coal company heard a rooster crowing as he started out with a wagon load of coal.

The rooster's "song" stayed with Boese for more than twenty blocks and he decided to investigate, finding the fowl perched on the coupling pole of the wagon.

Boese says the rooster evidently is a Democrat and was celebrating the recent political victory of the party here.

### RURAL CHURCHES

Pleasant Mills and Salem  
F. A. Shipley, pastor  
Sunday school—9:30.  
Morning worship at Salem—10:30.  
Epworth League—6:30.  
Evening worship at Pleasant Mills 7:00.  
Prayer meeting at Salem Wednesday evening—7:00.  
Prayer meeting at Pleasant Mills Thursday—7:00.  
Epworth League Sub-district Rally Friday evening—7:30.  
The Epworth League Rally is a red letter day for all of Pleasant Mills and vicinity and every one is welcome, regardless of church relationship. We are to have Dr. John R. Horsley from

the Central office at Chicago with us for the services. The service will open with a banquet at 6:00 in the basement of the church and this will be followed by the evening service in the auditorium at 7:30. Dr. Horsley will be the principal speaker. This is a great opportunity to enjoy a great program and we hope that the community in general will afford themselves of the opportunity. There will be no admission charged, but a free will offering will be visited to defray expenses of Dr. Horsley's visit. Remember Friday, November 20th is the date.

Church of United Brethren in Christ  
Cecil R. Smith, Pastor.

Bible School at 9:15. We are having a great school and you can make it greater if you will come.  
Morning worship at 10:30. The sermon subject will be devoted to the occasion of Father and Son Week. The message will be to fathers and sons. We hope to have each father and son sit together for the morning worship.

On Tuesday evening at 8:30 o'clock a special Father and Son's service will be held to which we want all our Fathers and Sons of the church and Sunday school present. If you have no church home, we invite you, or if you are visiting in the city. Every Father and Son. A special program is arranged and this will have some good "cats" with it, too. You can depend upon the fact that a good time awaits you.

Sunday evening service at 7 o'clock. Message by the pastor.

We note the increased interest in the mid-week prayer service. Forty made a nice attendance last Wednesday evening, but we can still make room for forty more, if you will be one of them.

The pastor was called away Thursday evening on account of the sickness of Mrs. Smith's mother.

Sunday, November 29 will be our First Anniversary Day services of the new church. A great program is being prepared.

Welcome to our services.

George Cramer and D. J. Hensley were business visitors at Salem today.

## PENNSY WRECK BEING PROBED

### Death List In Thursday's Collision Reaches Ten; Engineer Suspended

Trenton, N. J., Nov. 13.—(United Press.)—Federal and state investigations into yesterday's wreck near Monmouth Junction, when the Pennsylvania's mercantile express from St. Louis crashed into the rear of the overnight express from Washington, got under way today.

The death list reached ten when the last body, that of an unidentified man, clad in pajamas, was taken from the twist of steel last night.

Five of the dead had been reported at mid-afternoon yesterday. Arthur Gross, of Schenectady, who had regained consciousness while rescuers worked in the wreckage, died late in the day and the other four bodies were found as the evening wore on.

Two of the dead are as yet unidentified in a New Brunswick morgue. Six persons are in hospitals with severe injuries.

A statement given out at the offices of the Pennsylvania railroad, read:

"The Pennsylvania railroad's committee in charge of the inquiry reached the conclusion that the engineer of train No. 6, (the Mercantile Express) did not observe the signals, which were properly set and in working order."

The engineer, Timothy J. Carroll, who previously had been at the throttle for 25 years without a mishap, has been suspended.

### Gangland War Claims Another Life In Chicago

Chicago, Nov. 13.—(United Press.)—One more death was recorded in Chicago's gangland war today when Samuel "Samoots" Anatuna, leader of one of the beer running factions, died from wounds received Tuesday night. Anatuna was ambushed by two men who shot him down in a barber shop.

Samoot's death spoiled preparations for his marriage to Rose Pecoraro, his sweetheart for more than a year. They were to have been married in the event that it became certain that "Samoot" would not live, but he sank into unconsciousness suddenly and did not recover.

Anatuna, as gangland says, died same. He never whimpered to the police the name of his assassins.

Police believe that Anatuna's death was followed by a series of killings for "Samoots'" first thought after being shot was to rush to his brother and give him the names of the shooters.

### All Industries Have Boom Year In Russia

Moscow, Nov. 13.—(United Press.)—This has proved a boom year for the Russian industries and agriculture. The industries, which last year turned out only about forty percent of the pre-war output have jumped ahead and already reached seventy percent of pre-war production.

Even at this increased rate of production they cannot satisfy the demand of the country for goods; and it is only lack of capital to build and equip new plants which prevents the industries from attaining and even surpassing the pre-war levels of production.

The Russian harvest this year is by far the best which the country has enjoyed at any time since the Revolution. The total yield of the grain crop is estimated at 2,460,000,000 bushels, as against a yield of 1,650,000,000 bushels last year, when the drought in the Lower Volga provinces and in the Ukraine constituted a serious bar to agricultural progress. In view of the anticipated harvest it seems certain that Russia will export several million tons of grain this year.
