# Join The Red Cross-Help Humanity

The Red Cross Needs and Deserves Your Support

It should be a cause of joy to you to know that the time is here—the opportunity at hand to enroll and renew your membership in the Adams County chapter of the American Red Cross.

This great organization which stands ready to function during any disaster or in time of suffering and need depends upon the enrollment of thousands of people to carry out its purpose.

Surely you are not going to withhold your support—the renewing of your membership for the coming year so the Adams County chapter of the American Red Cross can carry on and answer the call of distress or need when it comes.

## DON'T MISS THE OPPORTUNITY

Decatur should have 1,000 members enrolled for 1926. Next Monday, Tuesday, Wednesday and Thursday, the Women of the Civic Section of the Woman's Club will give you the opportunity to enroll—will ask you to enroll in the Red Cross. Your membership can be renewed for \$1.00 and this small donation may help save a life or provide aid for the suffering. Decatur and Adams County needs the Red Cross and the Red Cross needs you. The work of the Red Cross is so well known that it's almost useless to speak of its merits and the good accomplished by it.

Let your enrollment signify that you appreciate the Red Cross and want to help Humanity. Let's all help make the 1925-26 campaign one of the most successful in the history of Decatur and let our many enrollments broadcast to the world that the people of this community believe in giving a helping hand.
