make it the best month in attendance.

Can we not scale the 300 mark this month?

We have a class for you. We have a complete graded department

up to 13 years of age.

Morning worship at 10:30. Sermon by the pastor. We hope to meet you at this service.

Christian Endeavor at 6 p. m.

Evening worship at 7 p. m. We want

to make these services helpful to you

and an honor to God. Your presence

will lend encouragement and inspiration

to the pastor and others and we

believe will be helpful to you.

A few things to remember—As you

are thinking of Christmas, remember

the Otterbein Home for Orphans. That

the last quarter of the conference

year is gone, and is your obligations

to the church local budget treasurer

in full. That our revival services will

begin in January in the local church

building, but why not let them begin

in your heart right now? That the

pastor will appreciate any information

you can give him in regard to the ones

who are sick, about new comers to the

city and wherever he can render ser-

vices in the Master's name. That the

success of the church depends on us

all. That if you will invite your

neighbors, they might come to church.

That we welcome all who have no

church home in the city, and all vis-

itors who may be visiting in our city.
