Friends And Neighbors Husk Injured Man's Corn

Thirty men, friends and neighbors of Frank Garwood, residing near Pleasant Mills, gathered at the Garwood farm recently, and husked 140 shocks of corn in about three hours, finishing Mr. Garwood's corn husking for the season. Mr. Garwood has been unable to work for the last seven weeks, on account of having broken an ankle. Numbered among the benefactors was the Rev. Mr. Risley. Mr. and Mrs. Garwood asked the Daily Democrat to thank their friends and neighbors for the kindness.

You Can Have Money in the Bank

If You Deposit Your Savings In Our Savings Department.

We have a simple, easy way for you to save regularly

This Bank has a plan by which every individual can open a Savings Account, depositing anywhere from one dollar to any amount you can afford to lay away regularly each week, which will bring you a good rate of interest payable every six months, and in case of need your money is available at ALL TIMES. This eliminates the necessity of waiting for your savings money until a specified time in order to meet an urgent obligation which might otherwise have to wait for a good many months from the time of immediate need.

We give you a small pass book in which your deposits are listed and each six months, on January and July 1st, the interest is figured and credited to your Savings, no matter if you do forget to bring in the book. This assures you of compound interest on your savings and helps you in providing for a rainy day; for the children's education, for next Christmas, or when the demand for money comes.

That you may realize how rapidly depositing anywhere from \$1.00 to \$10.00 a week will accumulate to a real figure, we wish to call your attention to our WEEKLY SAVINGS PLAN listed below.

Father John's Medicine

HAS DONE THIS FAMILY A WORLD OF GOOD FOR COLDS AND COUGHS

Mr. David J. McPaul, one of the many enthusiastic users of Father John's Medicine, says in part of his recent letter:—"I am proud of my boys, they are the picture of health through taking Father John's Medicine and everybody speaks of them as being nice young boys. Father John's Medicine has done us a world of good and we are seldom without it." (Signed) D. J. McPaul, 1505 Madison Avenue, Toronto, Ohio.

In the same way it has been used in Mr. McPaul's family; Father John's Medicine has been successfully used for over 70 years in many other families for coughs, colds and as a body builder—no drugs.
