PRESIDENT COOLIDGE OUTLINES POLICIES

MC DANIELS IS FREED BY ACTION OF GOV. JACKSON

One Member Of Trio Who Attempted To Hold-Up Preble Bank Is Freed

FRED WAGONER ALSO GETS HIS FREEDOM

(U. P. Staff Correspondent)

Indianapolis, Dec. 8.—Governor Jackson today approved the report of the state pardon board for the November term granting six paroles, 22 commutations, remitting two fines, refusing 116 pleas, striking two cases from the docket, withdrawing one and continuing 12 cases.

Among the pleas acted on were those of Donald McDaniels, assault and battery with attempt to rob, committed; Fred Wagoner, forgery, stricken from docket, both of Adams county.

Donald McDaniels was sentenced from the Adams circuit court, October 11, 1921, after pleading guilty to a charge of assault and battery with attempt to rob in connection with the attempted hold-up of the Farmers State Bank at Preble, June 9, 1921. Russell Barrone, of this city, was also sentenced at the same time on the same charge. The third member of the party, Eugene Cole, a Fort Wayne taxi driver, was found not guilty the week before the Barrone trial.

McDaniels was not a resident of this city and he never revealed his home, but he had been here on several occasions with Barrone. During the robbery, Barrone shot Clarence Smith, cashier of the bank, through the breast, and Edna Welling, an assistant in the bank, in the arm.

The two men escaped without obtaining any money and later were captured by Fort Wayne police and a posse of Adams county men about a mile north of Preble. Cole was captured in this city by Fred Schurz and D. M. Hensley.

Fred Wagoner, the other Adams county man to receive leniency, was found guilty about a year ago of issuing a check without funds in the

American Legion To Present Famous War Story Movie at Cort Theatre

"The Lost Battalion," a famous American war story dramatized by the men who went through the six days and nights with the lost battalion in the World War, will be shown at the Cort Theatre, December 10 and 11, under the auspices of the Decatur post of the American Legion. Special matinees will be held each afternoon during the two-day showing in this city.

Schools will be dismissed at 3 o'clock each day so that all school children may see the show, which is highly recommended by educators throughout the country. A special price has been made for school children.

Tickets may be obtained from any member of the American Legion or at the ticket office on the nights of the show. The actors in the show are all war veterans and most of them served in the famous American outfit which was lost, but wouldn't surrender.

Motor Bus Lines Not Successful Financially

Indianapolis, Dec. 8.—(United Press)—None of the motor bus lines in Indiana are financially successful, according to a report of auditors for the public service commission made public today.

The figures were made public in connection with the petition of the interstate public service company for an increase in rates between Indianapolis and Louisville, but are said to show the situation as it exists in the state.

GOOD FELLOWS CLUB GROWING

Several More Join Club By Giving To Christmas Fund; Total Is \$73.21

Eleven dollars and forty-one cents was added to the Good Fellows Club Christmas Fund today, making a total of \$73.21 already donated by local individuals and organizations. The money will be used by the Delta Theta Tau sorority, which is sponsoring the fund, in providing Christmas cheer for the poor children of the city.

Five-dollar contributions to the fund were made today by the So Cha Rea Club and the Daily Democrat. A \$5-contribution made yesterday by the Catholic Ladies of Columbia was counted in the total given, but through mistake the name of the contributor was omitted. The Delta Theta Tau sorority and Gecode club of the General Electric plant each gave \$25 to the fund. Other organizations are urged to contribute to the fund.

The Good Fellows Club was started by the Delta Theta Tau sorority four years ago and has been sponsored each Christmas since then. The general chairman of the Good Fellows Club today issued the following statement:

"Be sure to send your contribution to the Good Fellow Club today. By giving your donation early it will greatly aid the purchasing committee to visit Santa Claus in plenty of time.

"We realize that the good people of Decatur have been called upon numerous times the past year to donate worthy and charitable organizations, but is the Good Fellow Club not a worthy cause? Is there a cause more worthy than one that will provide warm clothing to the poor and greater than that provide a toy or two for the little boy and girl, who perhaps never had a real toy?

"At Christmas, very few of us are stingy with ourselves or our own little kiddies. For it is true that men and women do at Christmas time things which at any other time would be considered extravagant and unwise, but when did good done ever make a person happy?" Edgar A. Guest, the writer who is so truly human, has said: "I should not like to live in a world inhabited only by very wise people. I hope never to see a Christmas day come when it can truly be said that no one has spent more than he could afford, or given anything that is trivial or needless or foolish."

"Surely, then, we cannot deny these poor little kiddies a happy Christmas."

Cadwallader entered a plea of guilty to delinquency charges at a hearing in Crown Point yesterday morning.

At the hearing it developed that Cadwallader, three years ago, while a resident of Indianapolis, was sentenced to a term at the state reformatory on a similar charge.

Statesmen Sign Peace Pact

Paris, Dec. 8.—Henry Berenger, noted parliamentary financial expert, was today named by the Briand cabinet as ambassador to Washington to succeed Ambassador Duescher, who is to return here.

President Doumergue approved the appointment, which, it is understood, is only a temporary one permitting Berenger to negotiate a debt settlement with the United States and then return to his parliamentary duties here.

MIXED APPLAUSE AND CRITICISM GREETS MESSAGE

"Join World Court" Advises Executive; Many Issues Are Covered

SEES AN ERA OF GREAT PROSPERITY

(U. P. Staff Correspondent) Washington, Dec. 8.—The message of President Coolidge to congress was greeted with mixed applause and criticism in the house and senate today. The president's farm relief and muscle shoals proposals were chiefly singled out as objectionable by members of the old farm bloc and the insurgents.

His world court stand met approval from democrats and some republicans, but it found no sympathy with the "irreconcileable group" which is fighting the court.

Due to the extensive number of issues covered, every congressman, no matter what his political affiliation, could find something to sanction and something to criticize.

Chairman Borah, foreign relations committee, opposed the stand of the President of American adherence to the world court but favored his plans for handling the coal strike. Borah intends to introduce a coal bill along the suggested lines.

Washington, Dec. 8.—(United Press)—The nation is reaching into an era of great prosperity and needs only extension of present policies rather than any experiment with untried theories. President Coolidge told the new Congress today in his annual message.

Preserve economy, he said, but do not cut to the bone. Enact a business tax bill, but keep reduction within the bounds of propriety; join the world court and promote American good will abroad; expand the air defense, but make no radical change in the present system; help the farmer but do not try to fix his prices. President Leaves His Overcoat Behind In Rush To Catch Train

Chicago, Dec. 8.—(United Press)—A special messenger was enroute to Washington today to give President Coolidge the overcoat he left behind in his rush to catch his train yesterday.

Mr. Coolidge brought two overcoats with him on his trip to Chicago but in hurrying from the hotel he took only one of the lighter weight—the one he was wearing. The heavy ulster was left behind.

Hotel employees found the coat a few minutes after the president's train started to Washington and so a special messenger was employed to take it to Washington before night.

Three Senate Seats Subject To Contest

Washington, Dec. 8.—(United Press)—The rights of office of three senators who took their seats in the upper house of congress today are being challenged.

Contests have been filed against Senator Smith W. Brookhart, Republican, Iowa; Samuel G. Brattan, Democrat, New Mexico, and Thomas D. Schall, Republican, Minnesota.

There is also a likelihood of action

against the new Senator Gerald Nye of North Dakota, it being contended by some that he should not be seated because the governor who appointed him was not designated by law to make the appointment.
