"I shall recommend Dare's Mentha Pepsin wherever I go. It was a great drawback to me in my profession when I suffered with attacks of indigestion which I did for seven years. I felt greatly relieved after taking the first bottle and by the time I had finished the third I can gladly say that I was cured of my old enemy."—Mary E. Burton (Professional Nurse), Bridgeton, N. J.

The great popularity of Dare's Mentha Pepsin is a pleasant to take elixir is due to the fact that no matter how long you have had gastritis or dyspepsia or indigestion or whatever you call your stubborn stomach agony.

## Two New Insurgents Puzzle G. O. P. Senators

Washington, Dec. 10.—(United Press)—The Republican majority in the senate is deadlocked over what should be done with the two new "baby" insurgents in their ranks, Senator Robert M. La Follette, Jr., and Senator Gerald P. Nye.

Unable to reach a decision, the Republican committee on committees will delay a further meeting until Monday in the hope that some compromise may be reached on whether La Follette should receive the favor of the Republican committee assignments.

In a similar deadlock the senate privileges and elections committee is adjourned until Friday, seeking more on legality of Nye's appointment by Gov. Serle, North Dakota.

## Muncie Normal To Get New Building Next Year

Indianapolis, Dec. 10.—(United Press)—Construction work on the new assembly hall and library at the Muncie State Normal will start early in the

spring, it was announced today.

Trustees of the Normal at a meeting here decided to award the contract during the first ten days of January.

The sum of \$250,000 was appropriated by the last session of the legislature for the building.
