Court House

Suit For Damages

A suit for damages was filed in the circuit court today by William P. Robinson against William H. Engle. Judgment for \$500 and costs is demanded. The plaintiff alleges that the above sum is due him for damages caused to his automobile on May 27, 1925 when an automobile driven by the defendant collided with his car on the Decatur-Wilshire road. The plaintiff avers that the two cars were moving in opposite directions, approaching each other and that the defendant was driving on the left or wrong side of the road. Attorney R. C. Parrish, of Fort Wayne, is counsel for the plaintiff. Judgment On Account

Judgment for \$122.64 was awarded the plaintiff today in the case of the B. F. Goodrich Rubber company against Harry C. North a suit on account.

Undertaking is hardly a business one would expect women to adopt, yet there are more than 150 women undertakers in England, eight of them in the city of London.

AIR AROUND VENUS

Of the surface of Venus we know very little because it is surrounded by an opaque atmospheric screen that our eyes cannot penetrate to any extent, says Nature Magazine. But the fact that it has a dense atmosphere, and also that heat radiations from its night side have been detected, would imply that it has abundance of air.

"Money is made to be counted, and woman to be beaten" is an old saying in Hungary, where wives are required to address their husbands with the most humble respect.

The National Association of Women Painters and Sculptors has purchased one of the fine old brown stone mansions in New York City and remodeled it into a magnificent club house.

NOTICE ADMINISTRATOR'S SALE
Notice is hereby given that the Old Adams County Bank, as administrator De-bonis-non of the estate of Ola L. Gaunt, deceased in all things agreeable to the order and decree of the Adams Circuit Court made and entered in said estate for the sale of real estate belonging to said decedent, will on Saturday, the 19th day of December, 1925, between the hours of ten o'clock A. M. and four o'clock P. M. of said day, offer for sale at public sale to the highest and best bidder for not less than two thirds the appraised value thereof and subject to the taxes thereon for the year 1925, payable in the year 1926 and free of all other taxes, the fee simple of the following described real estate in Adams County, State of Indiana, to-wit:

The south-west quarter of the north-east quarter of section three township twenty-seven north range fifteen east, containing 40 acres more or less, except the following:

Commencing at the south-west corner of the southwest quarter of the north-east quarter of section three, township twenty-seven north range fifteen east, thence south ten rods; thence east eight rods; thence south ten rods; thence west eight rods to the place of beginning containing one-half acre, more or less.

TERMS: One third cash in hand on day of sale; one third in nine months and one third in eighteen months from day of sale. Provided, the purchaser may pay all cash, if he desires to do so. Deferred payments to bear 6% interest from date of sale, evidenced by promissory notes on the usual blank bank form, and payment thereof secured by a first mortgage on said real estate. Said sale to be made subject to the approval of said court.

OLD ADAMS COUNTY BANK,
Administrator De-bonis-non of estate of Ola L. Gaunt, deceased.
JAMES T. MERRYMAN, A. C. 20-27-4-11.

BIRTH

Mr. and Mrs. Floyd Enos have received an announcement of the arrival of a seven-pound girl baby born to Mr. and Mrs. Joe McDannel, December 7. The child has been named Barbara Lucretia. Mr. and Mrs. McDannel were former residents of this city. Mr. McDannel was manager of the Morris Five and Ten Cent Store.

ALL OVER INDIANA

Bloomington — The October snows have recalled the days of old to George Thornton. In the early seventies, on October 6, a circus came to Bloomington but a heavy snow caused the outfit to pull stakes and head south. There hasn't been an October snow since then George says.

Evansville — This city ranks eighty-first in the nation in amount of life insurance paid beneficiaries during 1924. A total of \$743,000 was paid to Evansville people during the year.

Alexandria — This city is to have a new free night school. Classes will meet two nights each week and a wide variety of subjects are offered the prospective students.

Washington — An indefinite furlough has been granted 92 men at the Baltimore and Ohio railroad shops here. Seven hundred and fifty men are still employed.

Muncie — Senator James E. Watson will speak at the dedication of the huge cannon, a memorial to the veterans of the Civil War, on the court house lawn Monday.

Rochester — Charles Polk, 11, probably will lose the sight of his right eye. A match fired from an air rifle by a playmate struck the youth in the eye.

Lebanon — Seventy-five men working with pike poles raised and plinned together a barn on the Alvin Sells farm near here, in one hour and fifteen minutes.

Kokomo — Police are looking for Lawrence "Red" King, of Indianapolis. After the judge had fined and sentenced him, "Red" put on his hat and calmly walked out of the court room, passing six policemen. He is still at large.

Evansville — This city is to have a permanent life saving corps working under the direction of the Red Cross. The men will be trained in swimming and rescue work.

EVANSVILLE—The coeds of this school have been being neglected by the boys and in order to improve conditions are sponsoring a "Date a week Club". The purpose of the organization is to see that every student has at least one date each week with some member of the opposite sex.

ELWOOD—There must be a group of nature lovers on "back to nature club" in this city, with the water in all the streams freezing a petition is being circulated asking the city to build an outdoor swimming pool in the city park.

FARMERS ADOPT PROGRAM: OPPOSE COOLIDGE'S WISH

(CONTINUED FROM PAGE ONE)

farmers into opposing factions. Brad-fute leading the conservatives in line with Mr. Coolidge and Thompson leading the "radicals" in an effort to disregard the president's appeal. The rival forces were about equally matched in numbers and it was not until Thompson's election last night that the "radicals" demonstrated their superior power.

Then followed the adoption of resolutions and again the radical element showed its strength by passing the resolutions which provided for support of the government export corporation. It means that the farm bureau federation is pledged to support a new bill in this session of congress which will substitute the old McNary-Haugen farm relief measure. The new bill will be along the same lines.

FEDERAL ROADS WILL BE PAVED

(CONTINUED FROM PAGE ONE)

cause sectional riots where one community feels that they are being slighted in road improvements," he declared.

"By this time next year there will be a paved road from Angola to the Ohio state line, known as No. 25, which, with the exception of nine miles between Angola and Lagrange, will be surfaced from state line to state line," he stated.

Mr. Rogers explained the system of highways eligible to federal aid. He also explained that under the federal road plan, the government is to pay half the cost for the construction of the hard surfaced roads designated by the commission as federal roads. "In a little while," he declared, "Angola and Fort Wayne will be referred to as cities on U. S. No. 27 road."

One Hundred Years On the Road

Oliver P. Keller and Charles E. Eberly, conductor and engineer of one of the Pennsylvania's fastest trains, have made their last run. Each was in the service of the system more than fifty years.

He also declared that the state of Michigan would endeavor to meet the state line with the federal roads as soon as Indiana and Ohio can get the roads paved up to the line.

Other speakers were: E. S. Croxton, Angola; H. E. Bodine, Fort Wayne; James Mackey, Marshall, Mich.; Glen Cowell, Coldwater, Mich.; H. C. Willis, Waterloo; J. I. Farley, president of the Auburn Automobile Company, of Auburn; W. W. Sharpless, Garrett; William Freutenicht, Fort Wayne; M. B. McCarty, Pennville; Fred Hubber, Angola; J. R. Mich, Williams county; Edon, O.; Archie Graham, president

of the Northern Indiana Motor club, of South Bend; Frank Duntun, Lagrange; and Clyde A. Walb, Republican state chairman, Lagrange.

The towns and cities represented at the meeting were: Edon, Mont-peller and Bryan, O., Pennville, Wat-erloo, Auburn, Garrett, Kendallville, Fort Wayne, Avilla, Lagrange, South Bend, Elkhart and Goshen, Ind., and Marshall and Coldwater, Mich.

Baptist Woman's Society will hold a bazaar at the Winnes Shoe store Thursday, Dec. 10, night and day. Fancy work and other articles suitable for Xmas Gifts. S-M-W

Like a Traffic Cop

—the Grebe Synchronphase brings order out of the congestion of radio programs

OUT of the scramble of programs from broadcast stations you can select, with the Synchronphase, just the one desired. For you, other stations do not exist—until you want them.

This "selective sensitivity," the most sought-for element in radio reception, is given by Grebe Binocular Coils, found only in the Synchronphase.

Another Synchronphase advantage is the ease in getting the right station quickly and clearly. Grebe S-L-F Condensers distribute stations equally around the dials, preventing the usual low-wave crowding, which necessitates, at times, almost microscopic tuning. Here are three other important reasons why the Synchronphase gives the utmost in reception and simplicity of operation:

It receives all stations—high-wave and low-wave; and because of its Low-Wave Extension Circuits, it tunes in over 100 low-wave stations not now reached by other receivers. The Synchronphase has a range of from 550 down to 150 meters. It is thus equipped for the future as well as the present.

One dial operates all—The Grebe Flexible Unit Control permits the setting of two or all three dials by one; or they may be adjusted separately, at will.

Perfect tone quality control—The Grebe "Colortone," perhaps the greatest recent advance in radio reception, enables you to vary the timbre of voice or instrument to your taste, independent of the loud speaker's influence. It removes all taint of artificiality and reduces, to a great degree, static disturbances.

Ask for a demonstration of these exclusive Grebe advantages; then compare the reception with that of other receivers. A. H. Grebe & Co., Inc., Steinway Hall, 109 West 57th St., N.Y. Factory: Van Wyck Blvd., Richmond Hill, N. Y. Western Branch: 443 So. San Pedro St., Los Angeles, Cal. This Company owns and operates stations WAHG and WBOQ.
