

After 12 years' suffering with constipation, Kellogg's ALL-BRAN brought lasting relief

Florida woman feels ten years younger. No more headaches or medicine.

Think what it means to be everlastingly free from the dull, throbbing headaches, hollow skin and perpetual tiredness which are constipation's toll. But let Mrs. Bevis tell you her inspiring story:

Words can't express my gratitude for Kellogg's ALL-BRAN. For 12 years I suffered with constipation, always taking medicine, had dull headaches and never felt well. For the past 12 months I've eaten ALL-BRAN and haven't taken one drop of medicine. I've gained in weight, my health is so improved I feel 10 years younger.

(Signed) Mrs. F. S. Bevis, Jacksonville, Florida.

Kellogg's ALL-BRAN will bring sure relief to you just as it has to Mrs. Bevis and thousands of others. It is a bulk food that doctors recommend. It is guaranteed to be permanently effective, if eaten regularly, or the purchase price will be returned by your grocer. Only ALL-BRAN brings sure relief.

Eat at least two tablespoonfuls daily—in chronic cases, with every meal. Try the recipe given on the package. Kellogg's ALL-BRAN is nature's own way of cleaning the intestine. Made in Battle Creek, Mich. Served at leading hotels and restaurants. Sold by all grocers.

Kellogg's ALL-BRAN

RURAL CHURCHES

Decatur Circuit
Lester L. C. Wisner, Pastor.

Preaching at Mount Pleasant on the morning of Dec. 13, subject, "Supreme Love to God."

The speaker for the evening service at Beulah on Sunday, Dec. 13th, will be Rev. J. L. McLaughlin. He is from Chicago, and is connected with the work of the American Bible Association in that city. He has been a number of years in New York and comes to us very highly recommended by the Anti-Saloon League office in that state. He has filled the pulpits of the best churches in New York with credit.

He will have a message that the people of the Decatur Circuit will want to hear. Come and give him a good audience.

We are approaching the Christmas season and the end of the year. In looking back over this conference year, let each one ask himself, "What have I done for the Kingdom of Christ this year?" Have I helped in the Sunday school and in the church services, or have I neglected my duty to each? Have I helped the pastor in my respective church, or have I habitually absented myself from the worship of God?

Remember you do not have to answer to your pastor, but to God for your attitude toward His church.

Pleasant Mills and Salem
F. A. Shipley, Pastor.

Sunday School, 9:30.
Morning worship, at Salem, 10:30.
Epworth League, 6:30.
Evening worship, at Pleasant Mills,

year approaches.

We are happy to report that Miss Bernice Masters is recovering rapidly from her recent operation and is at home now.

Let every one consider it their obligation to boost every service of the church. If we stand by our churches they will be an asset. If we neglect them they become liabilities.

National Reclamation Conference Convenes

Washington, Dec. 11. — (United Press.)—Secretary of Interior Work today opened the national reclamation conference here, which devoted its first session to problems of developing arid lands in the west and settling deserted farm lands of the east. Secretary of Agriculture Jardine, several senators and congressmen and representatives of farm organizations and railways will present different aspects of the agrarian problem to the conference.

"This conference is called to devise means for making rural life more attractive and to broaden the opportunities for settlement and farm development by people of small or moderate means," Elwood Mead, commissioner of the bureau of reclamation said. "Its purpose is also to discuss the recent law enacted by Congress authorizing the appropriation of \$100,000 to investigate the possibilities of reclaiming swamp and cut-over timber lands. On present federal reclamation pro-

jects about 500,000 acres of land are unirrigated, uncultivated and largely unsettled, according to data presented to the conference.

"The settlement of these lands will not only contribute to the economic and social value of the reclamation policy, but is the thing needed to improve its revenues," according to Mead.

"This situation comes from the past depression in agriculture, the high wages in industry, and the resulting movement away from the country rather than toward it."

Mrs. Charles Lange and Miss Celia

Smith were the guests of friends and relatives at Fort Wayne today.

Colds Will stop tomorrow

Colds break in 24 hours for the millions who use Hill's. Fever and headaches go. La Grippe yields in 3 days. This is the quick, the scientific way to end these dangers and discomforts. Don't trust lesser helps, don't wait. Get back to normal at once.
