

A Tremendous Price Reduction

On January 7th, 1926, Dodge Bros., Inc., will announce a tremendous reduction in the prices of their complete line of motor cars.

These reductions will apply on all cars bought after midnight, Dec. 15th, 1925

When the new prices are made known on January 7th, the full amount of the reductions will be immediately refunded to all purchasers since Dec. 15th.

These revolutionary reductions are made possible by a recently complete Ten Million Dollar expansion program---New buildings and equipment that will nearly double the capacity of Dodge Bros. factories in 1926.

There is no change in the policy upon which Dodge Brothers established their leadership eleven years ago---the policy of constant improvement without yearly models.
