Catholic High Meets Blue Prints Tonight

The Catholic high school basketball team will play its second home game of the season tonight when it meets the Fort Wayne Blue Prints at the Catholic high gym. The game will start at 8:30 o'clock. Two preliminary games will be played. The first game will start at 6:30 o'clock and will be played by two girls' teams selected from the St. Joseph grade schools. The second game will begin at 7:30 o'clock and will be between the St. Joseph eighth grade boys' team and the Catholic high school second team.

All fans who attend the games tonight are invited to take part in the contest to select a name for the Catholic high school team. A box will be provided at the entrance to the gym tonight and the fans are invited to drop their suggestions in the box. A committee, to be named later, will meet and go over the suggestions, selecting one for the team. A season ticket to the home games of the team will be awarded to the person suggesting the title.

Nebraska To Play New York University, Nov. 20

Lincoln, Neb., Dec. 17. — (United Press)—The University of Nebraska athletic department today wired its acceptance of a football game with the New York university to be played at Lincoln next Nov. 20.

SMALL PREPARES TO FIGHT CHARGE

Springfield, Ill., Dec. 17. — (United Press).—Declaring he had just begun to fight, Gov. Len Small conferred with his attorneys today on an appeal from the decision of the Illinois supreme court which yesterday ordered him to give an accounting of state funds during his term as state treasurer.

The state seeks to recover from Small and certain associates a sum estimated at more than \$1,000,000. This sum represents interest on state funds the governor and his associates are alleged to have pocketed.

possible reception. All trouble will be investigated promptly. Cards will be issued at once and instructions given for sending them to the trouble committee. Several of the members present last night reported some interference with their reception and these cases will be investigated at once.

George Wemhoff, retiring president of the club, was the originator of the organization in this city almost three years ago. He has been instrumental in eliminating several interferences to local receiving sets in the last few years and has always shown a great interest in radio reception. The election of Mr. Rice followed the retiring of Mr. Wemhoff.

Mr. Rice has shown a great interest in radios and he immediately started plans for a large club in Decatur. He pointed out the fact that it was the duty of every radio owner to belong to the club in order that the very best reception possible could be had in this city.

The Ge Code Club girls of the local General Electric plant held their annual Christmas party and exchange in the club rooms last evening. The rooms were decorated in the season's colors for the affair. At six-thirty o'clock a three-course dinner was served. A miniature Christmas tree was used as the centerpiece and red tapers in crystal holders were placed at each end of the table. The put cups and place cards were decorated with holly. After the dinner the girls drew numbers from the tree and matched them with the packages. Covers were laid for twenty guests.

The Blue Prints are bent on leaving their imprint on Catholic High's record.

Our friend Will Wynn at Berne continues to broadcast warning signals. Here's a couple of samples: "A large delegation from Berne plans to accompany the 'Fighting Five'—So Decatur, plan to meet thy foe." "And say you were very right about that 'will be out to keep its slate clean.' See you Friday."

"Bearcats Gnaw Tinplate" reads a headline in the Basket Ball World. Yes, it was an account of the Muncie-Elwood Basketball game.

Along comes our old friend Out of Bounds, of Bluffton, and takes a hefty swing at us. He's responsible for the following:

"Didja ever hear of Yellow Jackets doing much stinging in the winter time? Must be a little like Red Grange's Chicago Bears—they go good when the weather's warm but just can't do nothin' when Old Man Winter arrives. Just naturally like to go back in their dens and wait till spring. Look out for poetry then, fans!"

Rip Offs laid off of us yesterday so we will be nice to him today.

We had the wrong dope on the game between the Muncie Midgits and the Fort Wayne Blue Prints at Muncie Tuesday night. Instead of the Blue Prints winning, they took the short end of a 47-21 score, which is far from a victory. However, the Midgits are the junior champions of Indiana and the showing of the Blue Prints is not so bad as it might have been.

We predict that Catholic high will be forced to play some real basketball tonight to down the Blue Prints. It ought to be a good game.

The Berne Fighting Five will play the South Side second team on the Berne floor Saturday night.

Judging from the way everybody is talking up this Berne-Decatur game Friday night, the fellow with a reserved seat will be lucky. Berne is going to close up shop and move up here for the evening.

We are informed that Coach Welbourn, of South Side, will referee the Berne-Decatur game Friday night. He is a good official and the fans from both schools are assured of a square deal.

The Yellow Jacket Reserves are without a game for this week-end. This is regrettable. The future of any team depends greatly on its future material and that material must have experience and training before it is needed on the varsity.

Whatever the outcome of the game here Friday night, we hope everybody goes to bed that night with no malice on his heart. Excitement more than likely will prevail at the game and everybody must be prepared to keep control of himself. Coach Welbourn will give each team a square deal and if the best team doesn't win it will be the team's own fault. Let's show Berne a good time, folks.

Don't forget to suggest a name for the Catholic high quintet tonight.

Today's question and answer: "Q—May a team play with less than five players? A—A team must begin the game with five players, but if it has no substitutes to replace players who are required to leave the game, it may continue the game with less than five players.

Berne Athletics To Play Markle Quintet

The Berne Athletics will play their second basketball game of the season on the Berne floor Saturday night, meeting the fast Markle Chamber of Commerce quintet. The Berne team is being backed by the Nussbaum Novelty company this year.
