## CARD OF THANKS

We wish to express our thanks to all our friends and neighbors for their flowers and their kindness and assistance shown us in our hours of bereavement.

Charles Werling and family. Charles McIntosh, of Union township, when a big Patterson touring car, owned and driven by William Whittenbarger, of Union township, and occupied by himself and six relatives, including his family, struck a buggy, skidded and turned over in the ditch with all seven people pinned underneath. The remarkable thing about it was that not a person was injured and the car was only slightly damaged.

Charles McIntosh pulled the car out and

helped the occupants get straightened around. The car was pulled up to his barnyard and two or three days afterwards brought here on its own power and is now being repaired. A half dozen snap shots were taken of the wreck and the pictures are interesting souvenirs for those who had the thrilling experience.
