## RURAL CHURCHES

### Decatur Circuit

There will be preaching at Mount Pleasant on the morning of January 10. The pastor will be at Beulah Chapel, where meetings are in progress.

Preaching at Beulah Chapel both, morning and evening, on January 10, by Anna E. McGhie, the evangelist. Miss McGhie has been bringing us excellent messages. The Spirit is working. Let us be much in prayer.

A quartet from Taylor University, will be with us over the weekend, January 9 and 10. These boys know how to sing the gospel. Come and hear them.

May the membership of Beulah Chapel line up for the work of the saving of souls. The Lord needs every one present and working hard for victory for souls. Are you doing your part? If not, why not? What answer are you going to make to God?

Rev. L. L. C. Wisner.

The revival is still in progress and seems to be doing well. We shall appreciate your help and service every night. Let us all give God a chance and see what He can do with our help. We should never trifle with our ultimate destiny. Better take care of the future while you have such a fine opportunity. The time will come when you will wish

Mrs. C. C. Mann is seriously ill at present, but seems to have a chance of recovery. Their new daughter, Miss Wanda Madeline is doing fine and is a very welcome guest.

Mr. E. W. France continues about the same with perhaps a slight improvement.

There seems to be much sickness in our community. The pastor will appreciate any information concerning the sick and will give any service possible to assist. Rev. M. F. Collier, in the parsonage, home, is slightly improved. We appreciate the assistance given in our need.

### Nobody Loves You

It is impossible to get anywhere if you are a crab. Nobody loves you. To be successful you must have a kindly lovable disposition. You can not have this with an unhealthy liver and stomach. They don't go together. May's Wonderful Remedy has given complete and permanent results in thousands of such cases. Our advice to everyone troubled in this way, especially when accompanied with bloating in the stomach, is to try this remedy. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis.
