Radio Fans Invited

To Tell Others About Their DX Reception

Tell others about your DX radio reception this week. There is considerable interest in Decatur this week regarding the International Radio Tests, which are being held each night. Each fan is anxious to tell others what he has heard and to learn what the other fellow heard. The Daily Democrat will print a list of persons who heard a foreign station this week, the name of the station or stations heard and the kind of set (heterodyne, neutrodyne, etc) used, and the number of tubes. If the fans will send or call the above information to the Daily Democrat office.

The following receptions were reported today:

Otto Kiefer, 118 South Eighth street—5WA, Cardiff, Wales, six tube Neutrowound, on loud speaker.

F. O. B. Detroit

These astonishing new figures represent more than a price reduction. They represent a price sensation!

At one stroke they eliminate the necessity for compromise in the purchase of a motor car.

They mean that henceforth no one need be forced by economy to invest in less than Dodge Brothers quality.

They mean that a car world-renowned for its long life and dependability is now well within reach of every income.

They are made possible by a \$10,000,000 expansion program, vastly increasing production, and introducing the latest and most advanced efficiency processes into motor car manufacture.

They apply to the finest line of motor cars Dodge Brothers have ever produced—

Graceful and stylish new body lines. Rich and attractive new colors.

Absolute smoothness of engine operation—with new snap, power and silence.

Perfect steel body construction, affording among other things, complete vision from every angle, greater safety, greater beauty and longer car life.
