Wisconsin Governor Discusses Farm Ills

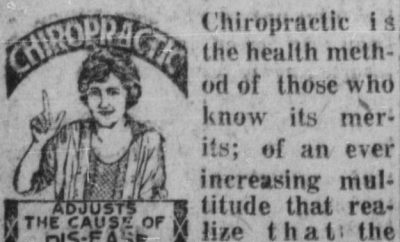

Madison, Wis., Feb. 5.—(United Press)—Agriculture in the midwest is staggering under the burden of a woeful lack in efficiency and economic system of distribution, Governor Blaine declared here last night in addressing the annual banquet held in connection with the University of Wisconsin's department of agriculture "Farm Folk's Week," which closes today.

"The railroads lack adequate and efficient terminals," Governor Blaine said. "On the Great Lakes, where passing attention has been given by the government to the necessary and adequate docks and wharves for lake commerce, and so lake commerce has been neglected."

"If constructive thought had been given to these questions, more water routes, more outlets, improved harbors and more adequate terminals would have gone a long way in solving our restricted means of distribution."

Evansville — January's cold weather and slippery streets caused the death of twenty-five horses here.

Mr. Beer And Mr. Wine To Seek Seats In U. S. Congress From Illinois

Chicago, Feb. 5.—(United Press)—"Mr. Beer" and "Mr. Wine" will run for congressman at large from Illinois if a plan proposed by Chicago democrats favorable to modification of the Volstead law is carried out.

Two candidates with the names of "Beer" and "Wine" actually are preparing to enter the congressional race. A. J. Cermak, president of the county board and a leading democratic politician, disclosed. He declined to give the full names of the prospective candidates.

"Candidates with such popular names are sure winners in Illinois," Cermak said. "Furthermore, we've investigated these men and found them to be capable, honest and sincere."

Chicago's telephone book lists seven men by the name of "Beer" and four "Mr. Wines."

Anderson Bank To Erect \$400,000 Building Soon

Anderson, Ind., Feb. 5.—(United Press)—Anderson today looked forward to a building boom, following the announcement of plans for the construction of a \$400,000 bank building here.

The new building it was said, will be the home of the Anderson Banking Company.

Other projects which will be undertaken here during the present year are the construction of a \$100,000

home by the Eagles Lodge; the building of a \$30,000 addition to the Columbia Hotel; a new school building to be erected at a cost of \$150,000, and various other industrial improvements which will cost more than \$100,000.

"THE MAN ON THE BOX" OPENS SUNDAY AT ADAMS

The Adams Theatre will feature a Warner Bros. Classic of the Screen when "The Man on the Box," starring Syd Chaplin, begins a 3-day engagement on Sunday with one of the most remarkable casts of the season. The picture is said to be even funnier than "Charley's Aunt." Syd's last production and one of the biggest box-office bets ever screened. In one sequence Syd impersonates a flirtatious maid, and with his handsome features disguised with wig and make-up, was quite an attractive figure on the Warner lot during the making of the picture.

It is said that Bull Montana, seeing this young lady from the distance, asked for an introduction to Syd Chaplin. At any rate, the photoplay is claimed by reviewers in other cities, to be a complete "knockout."

"The Man on the box" is an adaptation of the celebrated novel and play from the pen of Harold MacGrath. On the stage, Chaplin's role was played by Henry E. Dixey. The story concerns the romantically amusing adventures of Bob Warburton, young, wealthy and charming, who hires out as a coachman—Advt. 1t
