

His Health Ruined By Constipation

Tells How He Got Quick Relief,
No Sign of Trouble Now.

For five years I suffered with liver trouble and constipation. My liver was so sluggish they would hardly act more than once a week. My complexion was yellow and I was all run down. My appetite was poor and I had a disgust for food most of the time. I went down to 130 pounds, and my vitality was so low I just had no pep at all. I felt lost and wanted to sleep all the time. I tried different medicines, but nothing did me any good. Then a relative recommended Viuna. Before I had taken half a bottle I felt better, and by the time I had taken the second bottle I had gained 4 pounds and could eat anything, had a good, healthy appetite and was feeling fine. All that drowsiness was gone and I would get up in the morning full of pep. It has been three months since I bought my first bottle of Viuna, and I believe I can truthfully say that I am entirely well. I have gained 20 pounds, and never felt better in my life.—Paul D. Everybody Worked But Father

"Father's stomach trouble seemed to be getting worse all the time and finally he had to quit work altogether. Two brothers and myself gave up school and went to work to support the family. Father had lost sixty pounds in weight and was yellow as saffron and no medicine helped him. Telling a friend about it six months ago, she advised taking MAYR'S 'One Dose Will Convince.' I got a bottle and it helped father at once. He was able to go back to work a month later, has regained his weight and strength and eats like a wood chopper." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

FIELD GOALS

BY MARK M. UPP

Just two more days and the fun will start. Are you sure of a seat?

Nearly every game in the tournament here is expected to be hard-fought throughout. That is what makes a tournament interesting.

The players and coaches are saying little and thinking lots this week as they go about their work of preparing for the tournament. All old plays are being rehearsed and a few new ones are being perfected to pull in case the old ones fail.

Some columnists are searching for an undefeated team. For their edification we present the Berne "Fighting Five," 17 straight and still a rarin'. Berne will probably win the Decatur sectional tournament and go to the Port Wayne regional. Curtains.—Huntington Press.

Gibault high school of Vincennes, is claiming the Catholic high school championship of southern Indiana, according to the Vincennes Sun. The Patriots were defeated twice this season by the Decatur Catholic high Commodores. As far as Catholic high schools are concerned, the southern half of the state must admit that the northern teams are superior. It has been just the opposite with the public high school teams for several years.

Columnists in all parts of the state have been handing out the merry razz to the Indianapolis News, since he announced that he picked the winner of the selection in a sealed letter and forwarded the same to Mr. Trester, the secretary of the I. H. S. A. A., and that the name of the team selected would be kept a secret until after the tournament. Sideliner, in the Muncie Star, handed Shootin' 'em a clever jab yesterday in the form of a parody on the line handed out by the Indianapolis News columnist. Sideliner said he sent his selection to President Coolidge with a messenger on roller skates,

post-harked "do not open until Christmas." We imagine President Coolidge would be about as anxious to know who Sideliner picked as the general public is to find out who the illustrious Shootin' 'em selected.

TAKE A PENCIL TO THE TOUR- NAMENT WITH YOU AND BE SURE TO GET A DAILY DEMOCRAT SCORE CARD AND SCHEDULE

We're going to let our friend T. N. T. end our column today, since T. N. T. is sure to end it all:

Decatur, Ind., Mar. 2 '26.
Dear Mark M. Upp: How about this here sectional tourney? Is everyone interested? One would think they were, but tell us about it. Why don't cha? Now listen to me: In the finals, will be Decatur and Kirkland, the former after several hard contests and the latter after an apparently easy schedule. Decatur will beat the Kangaroos by not more than 7 or 8 points, as the preceding games will greatly weaken them. The other contests I will not attempt to do, as the least predicted leaves less chances to be wrong.

"Oh! Shelby—How could you be so mean." Surely Decatur doesn't treat their visitors that way. They don't, No Shree.

Yours for the best courtesy to visitors, Sincerely,

T. N. T.

COLDS INVADE D. H. S. CAMP

Three Yellow Jackets III With Colds On Eve Of Sectional Tournament

The Decatur high school basketball squad has been stricken with an epidemic of colds on the eve of the sec-

tional tournament to be held here Friday night and Saturday, it was learned today. Bob Zwick, regular forward, is out of school today on account of a heavy cold. Chet Reynolds, also a regular forward, was out of school Tuesday and this morning, suffering from a cold, but was able to be back in school this afternoon. Joe Krick, guard and center, although attending classes is afflicted with a cold and can hardly talk above a whisper. Coach Kennedy stated today that the members of the squad are receiving the best attention possible and they are receiving special treatments for their colds. The other members of the squad are in first class condition, and it is believed that all will be in condition to play by the time of their first game, Saturday morning.

The ticket sale for the tournament is progressing nicely. Principal Krick stated today. Nearly 150 season tickets have been sold in Decatur alone, while Berne, Hartford and the other schools are taking large numbers. The first game of the tournament will be played on Friday night, between Berne and Monmouth.

Give me a pipe and Prince Albert

GIVE me a pipe and Prince Albert. I want to be happy, you bet. I know what I want when I want it . . . a smoke without grief or regret. Funny how a fellow wants to break into poetry when he's happy as a lark.

Well, that's ME all over. I've discovered the one tobacco that makes a jimmy-pipe a pal for life. Good old P. A., the chummiest tobacco that ever nestled in the bowl of a briar. Cool and sweet and fragrant, just never was a tobacco like P. A.

I start in right after breakfast and hit it up till I sign off for the night. It never bites my tongue or parches my throat. They tell me the Prince Albert process cuts out bite and parch. Whatever it is, I can testify they're out!

Here's a hot tip on a cool smoke—get yourself a tidy red tin of Prince Albert now. Tuck a neat wad of it into your old jimmy-pipe and make fire with a match. That's the formula . . . simple as falling out of bed. That's why I'm pipe-happy, Brother.

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.

PRINCE ALBERT

—no other tobacco is like it!
