Dempsey Signs To Meet Wills Next Labor Day

Los Angeles, Mar. 12.—(United Press)—Jack Dempsey and Floyd Fitzsimmons, fight promoter, after a lengthy conference here announced that final articles of agreement looking toward a Labor Day bout between the heavyweight champion and Harry Wills had been signed. All that remains to bind the deal, they say, is the posting of guarantees and they promised that before night falls \$550,000 in cash will have been deposited in Los Angeles banks. Of this sum, Fitzsimmons expects to produce \$300,000. Dempsey's contribution today of a quarter of a million dollars to pugilistic high finance is to insure his presence at the

Labor Day proceedings. The promoter said that Wills' signature to the final agreement had been secured recently in New York and that both the negro boxer and the champion already had received \$100,000 for training expenses.

Richmond Man Is Suicide

Richmond, Ind., Mar. 12.—(United Press).—Despondency over ill health today was assigned as the motive for the suicide of Herman Thesmer, 33, who shot himself to death with a small calibre rifle in his garage here.

The Rev. O. E. Miller and son, Don were called to Kenton, Ohio, today because of the sudden death of a relative. They will return tomorrow.

BIG GAME TO BE PLAYED TONIGHT

Preachers To Meet Teach- ers In Annual Struggle For Basketball Supremacy

With a large number of tickets sold in advance and with much interest manifested on every hand, indications are that the Decatur high school gymnasium will be filled to capacity tonight for the annual basketball game between the city preachers and teachers. The game will be a benefit performance for the civic department of the Woman's Club, the money to be used in repairing and maintaining the public tennis courts in the city.

The preachers and the young men they have drafted to help them to-night have been practicing diligent-

ly to perfect their playing and eliminate as much awkwardness as possible so that they won't be the cause of too many laughs. The teachers are confident today, and the only question in their minds is the margin of their victory. However, they may be taken by surprise, if the optimistic attitude of the preachers can be taken as an indication of their playing ability.

The Boy Scouts will give a short program and the girls' physical training class of the high school will give a demonstration before the start of the game. The game likely will start about 8:30 o'clock.

Helen Wills Wins In Semi-finals Of Tourney

Watch Your Breakfast

Start every day
with food that
"stands by" you

HOW you feel all morning depends largely on what you eat for breakfast. Thousands have unenergetic forenoons because of wrong breakfast eating.

To feel right, you must have a well-balanced, complete breakfast ration. At most other meals—lunch and dinner—you get it. But breakfast is a hurried meal, often badly chosen.

Thus Quaker Oats, containing 16% protein, food's great tissue builder, 58% carbohydrate, its great energy element, plus all-important vitamins and the "bulk" that makes laxatives seldom needed, is the dietetic urge of the world today.

It is food that "stands by" you through the morning. Food that should start every breakfast in your home.

Quick Quaker cooks in 3 to 5 minutes. That's faster than plain toast. Don't deny yourself the natural stimulation this rich food offers.
