"Two years ago I was all run down. All I got from food was indigestion, bloating and constipation. Since taking Tanlac sleep and eat fine. Even ceiling decorating does not tire me." Samuel L. Martin, 713 1/2 Main Street, Evansville, Ind.

After a spell of Grippe or flu, when your system is all run down and your legs are so weak they can hardly hold up your body, start right in taking Tanlac. It's wonderful how soon you really do improve! Tanlac sails right in and puts the system in fighting trim. It cleans the blood, revitalizes the digestive organs, gives you an appetite for solid food and makes you feel like a new person.

Nothing will turn the trick quite as fast as Tanlac, made after the famous Tanlac formula from roots, herbs and herbs. Buy a bottle to day and get started back to full strength and vigor. Take Tanlac Vegetable Pills for constipation.

too highly of them, for after all, the body is the servant of the soul. If we permit our bodily appetites to rule us, to go beyond the control of reason, then surely we are debased slaves unworthy to be called rational human beings.

"The observance of Holy Week, which used to be confined to but one or two denominations, aside from the Catholic church, is now quite general," said Father Chapman, in conclusion. "It is a very hopeful sign of the spiritual times that more and more people are willing to pause in their busy worldly lives and look up at the Crucifixion. But we ought to contemplate our Crucified Saviour not only during Holy Week and on Good Friday, but every day, and especially when we are tempted to sin. Nothing overcomes temptation so thoroughly as the recollection of the Cross. Try to picture to yourself the sufferings of Christ, and while you are busied in that sacred imagination, you will find no room for any sort of sin in your mind and heart. It is only because we forget the Cross that we fall into sin. Make Holy Week a practical application of the Cross to the problems of your life, make it real, make it earnest, and pray to Christ Himself to make it availing."

On Easter Sunday, the masses will be held at five, seven-thirty and nine forty-five.

## Suspects In Robbery Of Kentucky Automobile Party Are Released

Madisonville, Ky., Mar. 31.—(United Press)—All suspects in the robbery of an automobile party and the alleged criminal attack on three girls by a trio of negro bandits had been released today, Sheriff Woodruff announced.

Clifford Martin, negro, was twice released, the sheriff said, also had been two other negroes.

The city, which saw a demonstration in front of the jail yesterday by a curious crowd seeking sight of the suspects, was quiet today. The sheriff admitted there were no new clues and he could not say when further arrests would be made.

The three girls, who now maintain they were not attacked by the negroes, as first alleged, today had recovered from the shock of their experience. They are Misses Vaden Laffon, Anna Anderson, and Beryl Nichols. Chapman Merrill and Alvin Mills were the girls' escorts when the holdup occurred.
