NOTICE

NOTICE OF FINAL SETTLEMENT OF ESTATE—Notice is hereby given to the creditors, heirs and legatees of Ole L. Gault, deceased, to appear in the Adams Circuit Court, held at Decatur, Indiana, on the 20th day of April, 1926, and show cause, if any, why the FINAL SETTLEMENT ACCOUNTS with the estate of said deceased should not be approved and said heirs be notified to then and there make proof of heirship, and receive their distributive shares.

OLD ADAMS COUNTY BANK, Administrator of the Estate of Ole L. Gault, deceased. Decatur, Indiana, April 8, 1926. JAMES T. MERRIMAN, Atty. 7-11.

Notice is hereby given that bids will be received at the office of the County Treasurer of Adams County, Indiana, up and until the hour of 10 o'clock A. M., on Friday, April 30th, 1926, for the purchase of the following Ditch Bonds, to-wit:

The William C. Gillespie Drain in Adams County, Indiana, the total amount of said bonds being \$2,278.70 in series.

Said bonds are to be dated March 20th, 1926, and bear interest at the rate of six per cent from that date, payable semi-annually after March 20th, 1927; the interest from the date of said bonds until March 20th, 1927, will be payable at that time.

Said bonds have been issued in strict compliance with the law of the State of Indiana and with an order endorsed upon the records of the Board of Commissioners of Adams County, Indiana, authorizing the issue and sale of said bonds for the purpose of providing funds for the construction of the above mentioned ditch.

The right is reserved to reject any and all bids.

Said bonds will be sold for not less than their face value.

J. MARTIN JABERG, Auditor of Adams County, Indiana, 117.

Baby Born Tuesday Is Dead At Birth

Jack, was the name given to a boy baby, born to Mr. and Mrs. Frank E. Lunden, of Fort Wayne, at the home of Mr. and Mrs. Floyd Snitely, near the St. Paul church, at 3 o'clock Tuesday afternoon. The child was prematurely born and was dead at birth. Short funeral services were held from the Snitely home at 3 o'clock this afternoon, the Rev. R. W. Loose, pastor of the Decatur Evangelical church, officiating, and burial was made in the Decatur cemetery. Mrs. Lunden was Miss Mabel Bess, of Adams county, before her marriage. This was the first child in the family. The grandparents of the baby are Mr. and Mrs. Thomas Bess, of Adams county, and Mr. John Lunden, of Connecticut.

Thief And Murderer Has Mania For Radio Sets And Jewelry

New York, April 7.—(United Press)—The largest force of police ever assigned to the Borough of Queens has patrolled the streets there for the last 24 hours in a vain effort to find track of the "radio raffles," described as "an absolutely fearless gentlemanly burglar."

The robber, who is credited with the theft of scores of radio sets and jewelry within recent weeks, has become a killer. Patrolman Arthur Keuny, one of the four policemen shot by the burglar in his night prowling, is dead from wounds sustained on March 25.

The other wounded patrolmen were Jacob Belger, Frank Donnelly and Charles McCarthy.

In each shooting, the burglar, who was soft spoken and well dressed, disarmed the suspicion of the officer before firing a bullet.

Mrs. Fred Elzey and children, Junior and Phyllis, are spending a few days with relatives at Fort Wayne.

WILL CHANGE LIGHT POSTS

Lights Around Court House To Be Made To Conform With Others

The ornamental light posts around the court house in this city will be changed from a five light standard to a one light standard so that they conform with the ornamental light system throughout the city and as a saving in the upkeep between the five-light post and the single standard. The county commissioners have authorized M. J. Mylott, superintendent of the city light plant, to make changes at a cost not exceed \$200. All of the posts around the court house will be changed.

The county commissioners will receive bids at the May session for the furnishing of next year's coal supply at the court house, county jail, and county infirmary. The specifications were adopted by the board yesterday and are on file at the auditor's office. The coal is to be delivered within 90 days from letting of contract.

Bids for the construction of the Boze, Kohne, J. Magley and Myers bridges, in Jefferson, Washington and Root townships, will be received by the board on May 5.

CORNS

Lift Off—No Pain!

Doesn't hurt one bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you life it right off with fingers.

Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the foot calluses, without soreness or irritation.

There are reasons for Pioneer Superiority: the exclusive Kokomo Pioneer Knot, that is a semi-hinge knot, and which gets tighter, the harder the strain, and the coiled fine wires become live wires when properly stretched, taking care of all expansion and contraction.

When the demon Rust enters, it's "good bye fence"! Quality of steel and manufacturer's claims have no effect on this active enemy.

Hence the care that is devoted to the galvanizing of Kokomo Pioneer Fence—to keep rust out. The most modern, the most approved methods are used and the heavy coating is 99 1/2 per cent pure zinc.

That means protection. That means Rust, which eats the life out of steel, can not enter to "do its dirt." You are assured of a GOOD fence for a longer period of time than you ever thought possible.

night policeman, appeared on the scene and frightened the vandals away before a thorough search of the building had been made. Entrance was gained through the rear of the building. It is thought that the thieves obtained about \$3.00 in cash, leaving before they were able to locate about \$50 more in the building. Officer Clark noticed that the night

light in the building had been turned out, and on investigation, found that the rear door had been broken down. Before he was able to get to the rear of the building, however, the thieves made their escape. No merchandise was taken.

Lasting!

YOU'LL buy fewer batteries and enjoy better ones if you get Eveready Columbia Dry Batteries. They are packed full of punch, pep and power, and the way they restore their energy when idle is almost human—they get the same benefit from rest that you do! Science builds no better batteries than these, and scientists as well as the rest of us use them for a thousand-and-one tasks. There is an Eveready Columbia dealer nearby.

Manufactured and guaranteed by NATIONAL CARBON COMPANY, INC. New York San Francisco

Popular uses include—gas engine ignition, doorbells, buzzers, heat regulators, tractor ignition, motor boat ignition, telephone and telegraph, starting Ford's, ringing burglar alarms, protecting bank vaults, electric clocks, calling Pullman porters, firing blasts, lighting tents and buildings, running toys.
