"Six years ago bad nerves, sleeplessness, constipation, and headaches had me run down. 'Tanlac sent my weight up fifteen pounds and now, at sixty-seven, I feel as fine as at forty.' W. H. Stearn, 1211 North Oakland Av., Indianapolis, Ind."

One of Tanlac's greatest blessings is the new life and vigor it brings to old folks. Every day men and women up in the seventies and eighties thank us for Tanlac's wondrous benefits.

Tanlac is a natural tonic, made from roots, barks and rare herbs. Harmless to man or child. It cleans the blood, stirs up the liver and puts digestive organs in working order.

If your body is weak and run down, if you lack ambition, can't eat or sleep, you'll be delighted with Tanlac's results. Take Tanlac Vegetable Pills for constipation.

GOOD CROP OF FRUIT PREDICTED

State Entomologist Fore- sees Bumper Crop Unless Killed By Weather

Indianapolis, Ind., April 12.—(United Press)—A good crop of fruit is in store for Indiana this year, according to Frank Wallace, state entomologist. Wallace, however, qualified his statement by saying:

"There is still some lurking danger of killing weather that might do serious damage."

Wallace, however, pointed to the fact that so far there has been no killing weather in the Gulf states and that this is a good indication that there will be none in this section of the country.

Weather conditions in the Gulf states are usually repeated in Indiana six weeks later, Wallace told the United Press during his discussion of the fruit crop situation in this state.

This year the conditions in the south are not such that there is any indication of a later freeze such as struck Indiana last spring.

"However, it is seldom," Wallace pointed out, "that we get a spring frost that is severe enough to kill the fruit crop."

The entomologist pointed out that last season in spite of the freezes of the early spring and the predictions that the crop had suffered untold damage, that Indiana's fruit crop was near bumper proportions.

Bats Are Of No Use As Mosquito Killers

Washington, April 12.—(United Press)—Assertions that bats will eradicate mosquitoes or materially reduce their number are without foundation, according to the Agricultural department.

An attempt to colonize bats to have them war on mosquitoes has been abandoned by the department after scientists discovered that the insect pests live in vicinities of bat colonies without being molested.

Jap Judge Resigns To Become Preacher

Tokyo, (United Press)—Gekichi Imaizumi, the only member of the Yokohama judiciary to survive the great earthquake, all other judges being killed when the court house collapsed, has just resigned from the bench. He has long been an ardent Christian and has come to the conclusion that the command "Judge not" should be applied literally. He will be a preacher in Tokyo from now on.

OBITUARY

Mary Naomi Dulin was born in Monroe, Adams county, Indiana, August 30, 1897, and departed this life at her home one-half mile south of Hillsburg, Indiana, March 23, 1926. Thus the grim reaper has come in and cut down another in the very prime of life. Naomi was only 28 years, six months and 23 days old at the time of her death. She was ill for some time and her suffering was great, but now she is resting in the arms of Jesus, reaping the reward for the service she rendered here. Naomi was the only child of Alfred and Margaret Dulin. Her father preceded her to the other world on November 30, 1919. She was united in marriage to Howard S. Keller. To this union five children were born. They are: Lois Ellen, age 5; Margaret Louise, age 4; Barber Gene, who lived only three days; Howard, Jr., age 2; and Martha Joanna, age 10 months. Besides the surviving children, her loving mother and her faithful companion, she leaves a host of relatives and friends to mourn their loss. At the age of 19 years, she was baptized and received into membership in the Methodist Episcopal church at Monroe, in which she took an active part. The last six years of her life, she was a member of the church at Hillsburg. Naomi was a member of the Royal Neighbors lodge, at Monroe, and the Eastern Star lodge at Hillsburg. In the death of Naomi, the church and community loses a member of sterling worth.

Tis hard to break the tender chord
When love has bound the heart,
Tis hard, so hard to speak the words
We must forever part.

Dear beloved, we will lay thee
In thy peaceful grave's embrace
But thy memory shall be cherished
Till we see the heavenly face.
