LIKES FRANKLIN HIGHWAY ROUTE

Secretary Of Franklin Association Compares Route To Lincoln Highway

In a letter received by John H. Williamson, of Findlay, Ohio, of the Benjamin Franklin Highway Association, from W. F. Wetling, Secretary of the association, Mr. Wetling says: "After leaving Tiffin Wednesday, we concluded to drive back by the way of the Lincoln Highway. We followed that highway into Pittsburgh, and will say right here that there is no comparison between the Lincoln Highway and the route selected for the Benjamin Franklin Highway, your route being shorter, with fewer grades, and many other advantages over the Lincoln."

Mr. Wetling lives in Indiana, Pennsylvania, and has taken the Benjamin Franklin east and the Lincoln east many times, as well as other highways. He is very strong in his assertion that the Benjamin Franklin is the easiest to travel because it has no high grades over the mountains.

Mr. Wetling and Mr. Williamson conferred with Thomas McDonald, federal highway commissioner, at Washington today.

How to stop BOILS!

There's only one way to stop boils. Stop the cause of boils! That's common sense—isn't it? All right. Boils thrive because the blood gets so weak in healthy, red cells that it can't throw off the impurities that get into the body. There's not enough rich, red blood to purify the system.
Now—S. S. S. builds back the blood to fighting strength. S. S. S. builds red-blood-cells—builds them by the millions! Boils dry up!
S. S. S. is the thing. Impurities that cause boils and other skin eruptions can't stand up against the rich, healthy, red blood that S. S. S. builds. That's all there is to it.
Stop boils with S. S. S. It's the way. Get it at any druggist. The larger bottle is more economical.

COURT HOUSE

On Trial For Larceny

A Mexican young man, whose real name is unknown, went on trial in the Adams circuit court under the name of John Doe this morning, on a charge of grand larceny. The case is being tried before Judge Sutton and a jury. The defendant and another man, Joe Reabis, were arrested several weeks ago, after thefts of merchandise had been discovered in several local stores. Women's dresses and other merchandise were

found in the shack occupied by the two men in the north part of the city. The merchandise was introduced in the trial as evidence today. An interpreter was being used to examine the defendant and several of the witnesses, who are of foreign nationality. The defendant entered a plea of not guilty this morning. He is being defended by Attorney Dore B. Erwin. A class from the Kirkland high school attended the trial.

Easier to be in style than any time in your life!

For years it seemed as tho' the quarantine had been placed on mens apparel fashions—

When along comes 1926 and relieves the malady of sameness and for the first time in seasons gives mens wear the place in the sun which was formerly basked in by Mother and Daughter.

Look at the influence it has had—even on garters—and remember this—that this Spring in anything a man buys he is going to have a harder time staying out of style than he is getting into it!

Let her save now for her little pleasures and extravagancies—make her self reliant—give her a bank book!
