How TO PREVENT GREAT NERVE TROUBLE

HEADACHE GOES AWAY IN 40 MINUTES

See What it Does for Bad Nerves.

Dr. Taylor, 2011 Glendale Ave., Detroit, says: "I was paralyzed four years. Three years ago I was recommended by a good doctor to take San Yak Pills for three months, and they cured me. I know as I did nothing otherwise and improved at once. I have gotten more out of life in the past year than in any previous year and I am 78 years of age."

See what it does for the Kidneys

Dr. L. P. Bailey, of McBride, Miss., says of San Yak: "It will do all you claim. It is fine medicine for the blood and has cured rheumatism of long standing. When one treats the kidneys with San Yak he is renewing the whole body. One can always depend on San Yak."

(Signed) L. J. Bailey, M. D. High Blood Pressure

Mrs. W. E. Brandon, of Robinson, Ind., writes: "I took San Yak for high blood pressure and it worked like a charm. I am not now troubled any more."

S. F. Marring, of Ohio Oil Co., Marshall, Ill., says: "San Yak is a wonderful medicine for stomach and bowels."

Dr. Gen. W. Snyder, of Chicago, said: "For people advanced in years, San Yak lends the thrill that comes from making human life lastingly better. I am free to state that by its use it would be quite impossible, owing to its wonderful antiseptic action on the pancreas and bowels, to become afflicted with appendicitis or constipation. San Yak does not irritate the internal organs and its effect is delightfully soothing. Sale at Smith, Yager & Falk and leading druggists"
