Berne Boys. Escape Injury In Auto Wreck

Marvin and Orlando Lehman, sons of John Lehman, of Berne, escaped injury Sunday afternoon when their automobile turned over on the concrete road west of Berne. The accident occurred near the Noah Yoder farm. The two youths were riding in their father's Chevrolet sedan, and Orlando was driving. He signaled to a car ahead that he intended to pass and when he started around, the other car did not share the road enough for the Lehman car to pass without getting off the pavement. Orlando steered his car too far off the pavement and it turned over on its side. The car was damaged considerably.

Winona Seeks Extension And Endowment Fund

Recent action by the board of directors of the Winona Assembly and Bible Conference at Winona Lake, Indiana, makes possible a great forward movement for the organization.

The carrying out of this program will necessitate the raising of large extension and endowment funds. The Ward Systems Co., of Chicago, expert directors of campaigns for funds, have been engaged to supervise the drive. Their representative, Mr. F. D. Brown, is already on the field, making preparation.

It also was decided by the directors to change the name of the organization, pending the permission of the court, from Winona Assembly and Bible Conference to Winona Lake Institutions. The name will, obviously, be more fitted to the manifold activities of the place.

The purposes of this Winona organization are religious, educational, and recreational. Upon the securing of the fund, the present equipment will be put into adequate condition, and new will be added as the needs demand.
