Rejected Actress Blamed For Fire In Movie Studio

Hollywood, Cal., Aug. 16.—(United Press)—A \$500,000 fire, believed to have been started by a young girl seeking revenge for rejection as a movie actress, last night destroyed the century film studio and a three-story apartment house nearby.

Frequent explosions of rolls of celluloid film added a spectacular touch to the fire.

The Christie studio, directly opposite the Century studio, was saved by a water-blanket maintained by firemen.

Mr. and Mrs. J. W. Teeple and Mr. and Mrs. James L. Gay spent Sunday with Mr. and Mrs. William Teeple, who resides on the state line east of the city.

Bobby Jones To Play Exhibition Match In State

Indianapolis, August 17.—(United Press)—Bobby Jones, reigning king of golfers will appear here in an exhibition match following the Western Open tournament the latter part of the month, it became known today.

Jones has declined to enter the Western meet, stating he feared too much tournament play would make him "stale" for the National amateur meet, Sept. 13-19.

The match will be played as a benefit for the James Whitcomb Riley hospital here and officials of the Highland golf and country club who are promoting the match plan to match Jones with the winner and runner-up in the Western Open tourney.

Jones at the present holds the American Open, the British Open and the American Amateur titles.

Tilden Rallies And Defeats Richards

Rye, N. Y., Aug. 16.—(United Press)—William Tilden has come into his own again—The champion proving decisively yesterday that while a stage career does not mix well with tennis, that he could soon forsake the first and return to his natural artistry on the courts.

With lightning strokes, terrific drives, chops and cuts he wore down Vincent Richards and won 4-6, 6-4, 7-5, and 6-2.

He thereby won the southern New York State championship also. His defeat of the Yonkers youth, who had three successive victories over the champion, indicated that Tilden had rounded into his old form.

"Well, George, here it is—!"

EVERY TOWN needs more folks like the George Middletons. Surely they have learned the secret of contentment! And their plan is so sensible and easily adopted that very few words will make it yours—

First, the Middletons operate their household on a budget. They have a definite sum of money for each department of expense.

Secondly, [and this is more important], they invest their funds carefully and wisely. Mrs. Middleton is buyer for the firm—and a mighty good one.

Mrs. Middleton is a good buyer because she knows what to buy, when to buy and where to buy. There is never any doubt in her mind.

Perhaps you have guessed the reason: Mrs. Middleton reads the ads in the newspaper, and does her weekly buying according to their advice.

That's why she so often finds opportunity to greet George with a new dress, or another piece of furniture, or a substantial deposit for their savings account.

Because she studies the ads, this lady makes their income buy more happiness. YOU can do the same with yours!
