FOOTBALL TEAM WANTING TENTS

Squad Wants to Rent or Borrow Tents for Pre- season Training

Several tents are wanted by the Decatur high school football squad, to be taken to Lake Gage during the week of August 30 to September 4. Coach E. Howard Marshall said today that he would be personally responsible for all tents loaned or rented to the team for the week's training at the lake, and would make good any possible damage that might result to the tents. Persons who will loan or rent a tent to the squad for the week are requested to see or call Coach Marshall as soon as possible. One large tent, suitable for the kitchen and dining room, is needed. Unless tents are obtained, it will be necessary for the boys to rent a cottage at the lake and that would increase their expenses greatly. Coach Marshall stated today that he would like for some one to volunteer to furnish a large touring car or truck to take a load of the boys to the lake Monday morning, August 30.

About twenty-five boys have signed up to go to the lake for the pre-season training. They will meet at the city swimming pool next Sunday afternoon at 1 o'clock to make arrangements for the trip. Suits will be issued before the trip and three hours per day will be spent in football practice.

Prospects for a fairly strong team this fall are said to be good at present. Coach Marshall will have the following players from last season's team: Captain Acker, ex-Captain Behout, Brown, Reynolds, Anderson, Zwick, Bell, Kiess, Lankenau, Koss, Potts, Fuhrman, Devor, Frisinger and Covalt. Among the new players expected to try out for the eleven are: Erick L. Butcher, R. Butcher, Cole, Gerber, Engle, G. Hilyard, V. Hilyard, Anadell, Somers, Mallonee, Magley, Haubold, Kocher, and Green.

Last season's backfield was left intact after graduation last spring, but the coach will have to fill one end, center, both guards and one tackle positions in the line. Dierkes, star guard for the last two years has gone east and will not be in school this fall. The first game will be with Auburn, at Auburn, September 18.

Odds 2-1 On Dempsey.
New York, Aug. 20.—(United Press)—Bet that Jack Dempsey would retain the championship in his bout with Gene Tunney took many sizeable sums on wall street at 2 to 1.

Tiger Flowers Retains Title By Defeating Greb

New York, Aug. 20.—(United Press)—Tiger Flowers is still world's middleweight champion today.

He retained the title in taking the decision over Harry Greb in 15 rounds of rough and tumble fighting in Madison Square Garden last night.

The 15,000 fight fans present did not regard the two to one verdict of Judge Mathison Barnes and Judge Crowley with favor. Flowers had the best of seven rounds, Greb won six, and two were an even break.

It was a Greb audience that watched the fight. They came ready for a spectacle of the oldtime Greb fury. They saw plenty of rough stuff, but gallant though it was, Greb's assault lacked the power of the Greb of other battles.

TO BUILD GOLF COURSE AT LAKE

Improvement Association to Construct Course at Sylvan Lake

If the present plans develop a golf course may be constructed at Sylvan Lake, Rome City. The movement is being sponsored by members of the Sylvan Lake Improvement association, according to A. L. Randall, Ft. Wayne a director of the association. The course will be nine holes the first year and nine more holes added and a clubhouse erected the second year.

The association has not yet located the site, but every effort is being made to find a site as close to the lake as possible. Work is to be started on the course yet this summer so that it will be ready for playing next spring.

During the meeting officers of the association were re-elected with J. B. Franke, of Fort Wayne, as president; F. L. Freiburger, secretary and C. M.

Neizer, treasurer.

To Plant Wild Rice

A member of the state conservation department was present and announced the intention of the department to plant wild rice near Gene Stratton Porter's Limberlost cottage so that ducks, geese and other wild game may be attracted to the lakes and marshes around it.

The association also plans to start efforts to have the state legislature pass a law prohibiting fishing through the ice. This law, if passed, will be in effect only at Sylvan lake as this body of water, during the winter months, becomes so low that fishermen are often able to take many fish from the lake, it is said.

The association plans to appoint a sanitary officer to inspect all cottages and prevent cottagers with septic tanks from dumping their waste into the lake.

J. J. DAVIS TO VISIT INDIANA

Secretary Of Labor Will Speak at Labor Day Cele- bration at State Fair

Indianapolis, August 20.—(United Press)—Plans are being laid here for a state-wide Labor Day celebration, September 6, in connection with the visit of Secretary of Labor James J. Davis at the state fairgrounds.

Politicians are looking forward with especial interest to the visit of the labor secretary, as the former Hoosier is expected to shed light on the attitude of the administration toward the Indiana senators, Watson and Robinson.

All labor bodies of Indiana have been invited to attend the Labor Day meeting here, according to William Holman, chairman in charge of arrangements.

Although no parade will be held, plans are being laid for an extraordinary celebration of the day, Holmes said.

Plans for the day are being laid by a committee composed of two representatives of each labor organization in Indianapolis, under the direction of Holmes.

Included in plans for the day is a local talent vaudeville show, which will be followed by motion pictures and dancing.

An extensive display of union product labels is being prepared, but commercial lines will not be displayed, as

formerly was done, Holmes stated. John E. Smith, president of the Central Labor Body, is chairman of the committees in charge of speakers and display. It is expected that laborites from all over the state will join in the celebration here Sept. 6.

Miss Angie Firks, Mr. Byford Macy and Mr. and Mrs. Robert Shirk spent yesterday afternoon and evening visiting in Fort Wayne.

Mr. and Mrs. Cal Peterson returned yesterday from a week's outing at Winona Lake.

M. F. Worthman, superintendent of schools, left this afternoon for Indianapolis, where he will look after business.
