he aided in the robberies and he implicated Johnloz.

Johnloz left a note on the sheriff's desk saying that he was leaving, as his wife and babies needed him.

The young man was arrested at Fort Wayne last Friday and taken to Bluffton that evening. Among the stores at Ossian said to have been robbed by Johnloz and Ellenwood the Wilson Brothers hardware store, the Sanitary grocery, the Devalt barber shop and the Bushie shoe store.

Johnloz is well known in the northern part of Adams county.

Mrs. Peter Meyers and daughter, Miss Sophia Droll, returned to their home in Fostoria, Ohio, after a visit with Mr. and Mrs. Henry Leichtensteiger and other friends.

VACATION ENDS FOR CHILDREN; SCHOOLS OPEN

(CONTINUED FROM PAGE ONE)

It is thought that the number of pupils would be slightly larger this year. All public school teachers reported at their rooms this morning, and the school term got off to a good start in every building, it was announced.

The music, art and physical training instructors were busy arranging their schedules in each of the schools and those classes will begin tomorrow, it is thought.

The school janitors have been working for several weeks cleaning and refurnishing the various buildings and they were all reported to be in first class condition this morning when the bell rang for classes to start.

Catholic Schools Open

The St. Joseph Catholic schools opened this morning with the largest enrollment in the history of the school. At noon, the enrollment in the grades, commercial department and high school had reached 350, with 42 starting in the primary grade, which is taught by Sister M. Sophia. At 7:30 o'clock this morning, the school children attended high mass, the Rev. J. A. Seimetz, rector of St. Marys Catholic church, officiating. Father Seimetz also gave a short talk to the children on "Beginning the year," and urged them to prepare for their life's work.

Sister M. Roberta, new principal of the Catholic schools, stated that she expected the enrollment to reach the 400 mark by the end of the week.

The school hours were announced as follows: Mass at 7:30, convening of school, 8:15; morning recess, 9:45; dinner hour, 11:30 to one o'clock. The afternoon session is from one until 3:30 o'clock.

The enrollment this year shows more than a 10 percent increase over that of last year. In the high school department, which also includes the commercial department, there were 62 pupils last year. This year 71 pupils had enrolled on the first day.

Music School Opens

The music class of the Sisters of St. Agnes is now open. Registrations may take place any time during the school year, but the Sisters prefer that those who wish to take music, piano, violin or voice should do so as soon as possible.

HOSPITAL NOTES

Beatrice Gass, youngest daughter of Mr. and Mrs. E. F. Gass, who underwent an operation at the Adams County Memorial Hospital a few days ago for an infection on her right ankle, is slowly improving.

Dr. Fred I. Patterson, who has been a patient at the Adams County Memorial Hospital for the past several weeks, was removed to his home on Rugg street, yesterday. The condition of Dr. Patterson was slightly improved yesterday.

Mrs. Agnes Bollinger, who underwent a major operation at the local hospital yesterday, is recovering.

REPORT MADE BY COW TESTER

Average Butterfat Production Lower In August Than In Preceding Months

The average butterfat production of the 242 cows in the Adams County Cow Testing Association in August was considerably lower than for several months preceding, according to a report which has just been completed by Roy L. Price, tester. This is due, in large part, to poor pastures, although the fact that 44 of the above cows were not in milk probably plays the greatest part in lowering the average.

The three highest individual records were made by cows in the David J. Mazelin herd. Their production was 34.3; 59.5 and 50.5 pounds butterfat, respectively. In point of individual production, other cows ranked as follows: John D. Mason, 45; Jacob Schwartz, 44.6; David J. Mazelin, 44; Sol Mosser, 40.2; C. R. Liechty, 38.8.

David J. Mazelin's herd made the highest average for the month with 47.5 pounds butterfat average per cow. Other members ranked as follows: Jacob J. Schwartz, 33.7; J. L. Liechty, 28.9; D. D. Schwartz, 26.1; J. D. Mason, 25.5; Sol Mosser, 24; M. P. Steury, 23.1; Oskar Von Gunten, 22.8; C. W. R. Schwartz, 22.6; Noah Rich, 21.6.

COUNTY COUNCIL IS CONSIDERING APPROPRIATIONS

(CONTINUED FROM PAGE ONE)

The petition stated that the laws of Indiana provided for such an appropriation and that the fair was organized on a non-profit basis and that the money appropriated would be used only for the payment of premiums and the actual expenses in conducting these departments. The association asked for an appropriation of \$2,000.

The petition which was filed with the council reads as follows:

To the Honorable Board of County Commissioners:

"Comes now the Great Northern Indiana Fair Association by E. B. Williamson, secretary and director general, and shows to the court that said fair association is duly organized under the laws of the state of Indiana and has its place of business in Decatur, Indiana, and is not a corporation organized for gain. That said corporation has been and is engaged in conducting fairs from year to year in Adams county, Indiana, and in promoting the interests of agriculture, horticulture and stock raising. That under the laws of the state of Indiana believes that they are entitled to receive appropriation from the county of Adams in the amount not to exceed \$2,000 per year.

The valuation of the taxable property of such county, to be paid out of the general fund, the same to be used and expended only for premiums on agricultural and horticultural products and live stock.

"Wherefore, said association prays that an appropriation be made by the county council of said Adams county in the sum of \$2,000 and that the same
