Kidneys and Back Made Life Miserable

Says He's Full of Pep Now, and Pains are All Gone.

"I suffered with pains in my kidneys and back for three years. My back at times seemed as if it would break in two. I was tired out most of the time, and when I came home from work I just felt like I wanted to lie down. I lost flesh until I only weighed 155 pounds. Nothing I took did me any good till I found Viuna, and after taking only one bottle I was wonderfully relieved. My back stopped aching and I began to get some pep. My appetite picked up and I began to gain weight till I now weigh 170 pounds (a gain of 15 pounds), and feel fine and eat anything."—Curtis Chappell, 1130 East St. Clair St., Indianapolis, Ind.

Viuna acts promptly on sluggish bowels, lazy liver and weak kidneys. It purifies the blood, clears the skin, restores appetite and digestion, and brings new strength and energy to the whole body. Take a bottle on trial. Then if you're not glad you tried Viuna, your money will be refunded. \$1 at druggists, or mailed postpaid by Iceland Medicine Co., Indianapolis, Ind.
