## YELLOW JACKETS MEET PORTLAND

### D. H. S. Varsity Meets Old Rivals in First Home Game Here Saturday

Decatur high school's Yellow Jackets will make their first appearance on the home gridiron next Saturday afternoon, when they take the field against their time-honored rivals, the Portland Panthers. This will be one of the only two home games on the schedule this fall and a large crowd of fans is expected to witness the contest. The kick-off is scheduled for 2:15 o'clock, sharp. Owing to the wet condition of the field east of the river bridge, it will be necessary to play the game on the South Ward gridiron.

Coach Marshall and his assistant, Coach Curtis, have been working the Yellow Jackets hard this week in preparation for the Portland game, and the warriors were declared to be in good condition today. The players who were injured in the early games have practically recovered and will be in the game Saturday. Portland has won two games, defeating Celina, Ohio, and Anderson, and has lost one game, that one to Richmond by a score of 1-0 last Saturday.

The Junior band will be out Saturday to add pep to the game. The high school pupils have been holding pep meetings and are prepared to furnish plenty of rooting. The game is expected to be a close one and a great one is anticipated.

Local merchants are expected to decorate their windows for the game. The Portland colors are Purple and White and the Decatur colors are Purple and Gold.

## THE WORLD'S FAVORITE SMOKE-WORDS "HAVE A CAMEL"

Did you ever notice that experienced smokers will offer or ask for a Camel—not just a cigarette? A little observation will reveal the overwhelming preference for Camels—a popularity that has never been equaled in all the history of smoking.

More smokers demand Camels, because Camel is unlike any other cigarette made.

Camel is as different as the rare quality of goodness. This difference costs millions to maintain. The choicest Turkish and Domestic tobaccos grown . . . the most skilful blending—that is Camels. More cannot be had at any price. When you light a Camel, you may be sure you are smoking the best.

When invited to have the world's favorite cigarette, accept with pleasure. It will be your personal introduction to the mildest, mellowest blend of choice tobaccos ever produced. "Have a Camel!"
