### Says Stephenson Can Not Be Admitted To Bail Now

Indianapolis, Ind., Oct. 29.—(United Press.)—There is no legal loophole for admitting D. C. Stephenson, former grand dragon of the Indiana Ku Klux Klan to bail at this time, Prosecutor William H. Remy, of Marion county, declared today.

"A man convicted of a second degree murder charge cannot be left out on bail," Remy said. "If the supreme court should overrule Stephenson's conviction that would make it possible for his release under bond while awaiting a new trial."

#### Negro Gets Life Sentence

Lebanon, Ind., Oct. 29.—(United Press.)—Thomas Goins, Indianapolis negro, today was under sentence of life imprisonment in the Indiana state prison for the murder of his wife.

## COURT HOUSE

### Coolidge Refrains From Wishing Senator Watson Success In The Election

Indianapolis, Ind., Oct. 29.—Further evidences of the deep-seated and unyielding hostility of the Coolidge administration group to James Watson and Arthur R. Robinson in their desperate battle for re-election have appeared here today.

President Coolidge in a telegram to Mr. Watson carefully refrained from expressing any wish for Mr. Watson's re-election to the senate. The President with extreme restraint telegraphed wishes for Mr. Watson's "early and complete restoration to health." The telegram was addressed to Mr. Watson at the Methodist hospital, where he has been staying during the past two weeks following minor injuries in an accident.

Accounts received here of the filing at Washington of the sworn statement of expenditures made by the republican-national senatorial campaign committee show that no funds were sent into Indiana to aid the two hard-pressed Hoosier senators.

Special significance is seen in this act by reason of the fact that it follows an appeal by Clyde Walb, chair man of the Watson-Robinson organization, to the national senatorial committee for \$20,000.

### Seek More Buildings For Three State Institutions

Indianapolis, Oct. 29.—(United Press.)—Additional buildings for three state institutions are sought in appropriation requests on file today with the state board of accounts.

In the budget request of the Indiana blind school a total of \$797,725 is asked for three new dormitories, a main building and a general plant. General appropriations of \$69,789 and \$68,828 are asked for the next fiscal year and the one following.

The state prison budget fixes needs for next year at \$225,785 and the succeeding year at \$204,000. An item of \$22,000 is asked for additional dormitory room.

The budget of the central hospital for the insane asks a total of \$1,834,380 for the two years, including \$375,000 for the new buildings.

### Funeral Services For Mrs. Heiman Held Today

Forty hours devotion will open at St. Mary's Catholic church Saturday morning, at 9 o'clock, following the funeral mass for Joseph Stegmeyer. Rev. Father Brunswick, a missionary priest of Sedalia, Mo., will conduct the special devotions. On Sunday morning, the masses will be held at 5, 7:30 and 9:45 o'clock. ## MC DERMOTT IS CLOSELY GUARDED

### Vigilance Increased At Canton Workhouse As Delivery Plot Is Reported

Canton, O., Oct. 29.—(United Press.)—Vigilance of guards at the Canton workhouse was increased today by reports of an attempt to free Patrick McDermott before his story of the Don R. Mellett murder is told. Additional guards were posted when officers were said to have uncovered the third delivery plot at the workhouse within the last two weeks.

It also became known that County Prosecutor C. B. McClintock and Detective Ora Slater, his assistant, have been threatened with violence unless they stop their attempts to secure a confession from McDermott. McDermott is held under a first degree murder indictment, along with Louis Mazer and Ben Rudner for the assassination of Mellett, editor of the Canton Daily News, last July. His full confession, if given, is expected to implicate others in the case.

## A PIMPLY SKIN NEEDS SULPHUR

### Apply Sulphur as Told When Your Skin Breaks Out

Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist.

Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Rowles Mentho-Sulphur and use it like cold cream.
