A meeting of the C. L. of C. will be held Tuesday evening at eight o'clock in the K. of C. Hall. Business of importance will be discussed. Every member is urged to attend.

Queen Mary Starts Christmas Shopping

London (United Press)—Queen Mary is "doing her Christmas shopping early", enjoys going about the stores quite as much as women less highly placed in social life.

The Queen does her shopping in such a natural feminine way that she is not always observed in the movement of the throng. Her favorite practice is to use a limousine to get to a store and accompanied only by a lady in waiting, to walk in, unannounced. She is soon lost among the other shoppers and never attempts to exercise her high estate at the bargain counter.

Occasionally a shop girl, during her drab routine, will look up and recognize the royal patron. The result is usually disastrous for competitive customers, but the astonished counter-girl always finds Her Majesty patient and kindly.

Christmas is not an easy business for the Queen. She is devoted to her friends and never fails to remember them on such an occasion. It is necessary for her to do her shopping early because she has so much to do and many of her gifts must be sent overseas, requiring considerable time for delivery. She is further human in that she carries a shopping list and, women like checks it off now and then.

LAME BACK OR LUMBAGO PAIN

"Heet" Relieves Instantly

With applicator attached to cork, just brush "Heet" over the pain area, whether in knees, feet, legs, hands, shoulders, back, neck or body. Instantly, you feel this harmless, glorious, penetrating heat draw the pain, soreness and stiffness right out of the aching or swollen joint, muscle or nerve. Besides, "Heet" scatters the congestion and establishes a cure. "Heet" contains two soothing, penetrating ingredients, too expensive to use in ordinary liniments or analgesics. "Heet" is a clean, pleasant liquid; doesn't stain, blister or irritate the skin and costs only 60 cents at any drug store.

The gift-making custom was inspired by sentiment. Express the true sentiment of Christmas in gifts to those you love—send photographs.

Arrange now for an early sitting and solve twelve or more of your personal gift problems.

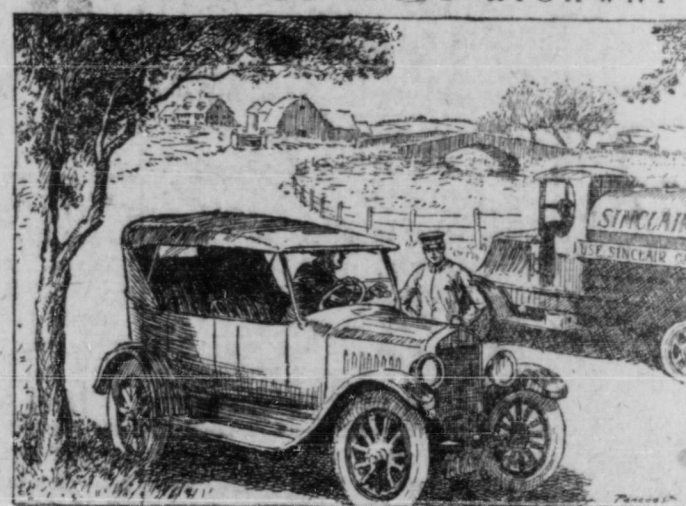

Open Sundays from 1 to 4 o'clock 'til Christmas.
