Pinchot also dipped into vitriol in speaking of William S. Vare, republican senator-elect. He predicted Vare would never take his senate seat which was "partly bought and partly stolen."

Seventeen Stars Of Game Gather In Chicago In Effort To Clear Names

By Clark B. Kelsey.
(U. P. Staff Correspondent)
Chicago, Jan. 4.—Seventeen or more idols of baseball fandom gathered here today in an effort to clear their names of scandal charges brought by Swede Risberg, a former Chicago White Sox player, whose accusation of guilt in "fixing" ball games during the 1917 season.

The players have come from practically all sections of the country to attend a hearing in the office of Kenesaw Mountain Landis, high commissioner of the game, tomorrow.

At this hearing they will face the "Swede" who is an outcast of organized baseball, because he participated in the throwing of a world's series which the Chicago White Sox gave to the Cincinnati Reds in 1919.

Risberg charged before Landis, on New Year's day, that Detroit players allowed the White Sox to take four straight games during the 1917 season for a consideration of approximately \$50 each.

The players who have announced their intention of attending the hearing follow:

Eddie Collins, George Burns, Owen Bush, John Collins, George Dauss, Harry Heilmann, Eddie Murphy, Ed Walsh, Red Russell, Ray Schalk, Ty Cobb, Clarence Rowland, Dave Danforth, Howard Ehmke, Harry Leibold, Oscar Vitt and Kid Gleason.

Get the Habit—Trade at Home, It Pays

AN OLD RECIPE TO DARKEN HAIR

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old-time recipe improved by the addition of other ingredients, for only 75 cents. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

JOHN RAWLINGS USES LINIMENT KEEPS FREE OF ACHES AND PAINS

If Reader Feels Tired Out, Lame And Sore, Here Is A Good Tip

LINIMENT KEEPS YOU LIMBER, SPRY, SUPPLE

Men and women who suffer with lame, stiff, sore backs, joints or muscles, and would like to be free of such troubles should take a tip from Big League star John Rawlings of the Pittsburgh "Pirates." John Rawlings says: "It sure is a grand and serious feeling to get a rub-down with Mike Martin's Liniment when you feel all tired out, lame and sore, and take the kinks out like magic."

Big League Stars couldn't play ball if crippled with aches, pains, swollen, stiff joints, or rheumatism. Whenever they get that way no time is lost in using the trouble. Mike Martin's Liniment is a higher priced more expensive liniment than other remedies, but it is worth the difference—quicker, safer and better—more pleasant to use also. It is unquestionably the best money can buy. High-grade "Stars" wouldn't fool with anything but the best.

With each bottle of Mike Martin's Liniment you get at the drug store comes a folder telling just how the famous trainer treats various aches, pains, joints, and different rheumatic troubles, lame back, etc. 25 years experience makes Mike Martin probably the greatest expert on such troubles. Take John Rawlings' tip. Get a bottle at drug store or write name and address plainly and send with dollar bill for large bottle postage paid to—Mike Martin, Trainer, Washington, D. C., Brewster, Md.

We have Mike Martin's Liniment—Enterprise Drug Co.
