damage was done in that section. The D. M. Reed family escaped without injury or property damage. The Reed home was just outside the path of the tornado.

No direct word has been received in this city from the Mrs. Rose Moran family, but it is practically assured that they are all same, because they reside in the north part of the city. Several Decatur young men who work in Indianapolis reside at the Moran home.

NOTICE OF PUBLIC LETTING

Notice is hereby given that the Board of Commissioners of Adams County, Indiana, will receive bids for the construction of a Macadamized road in Blue Creek and Monroe township in said county, known as Frank Neadtine Macadam Road, up and until ten o'clock A. M., on

Tuesday June 7th 1927
at the regular meeting of said Board of Commissioners, held in the City of Decatur, Adams County, Indiana. Sealed bids will be received for the construction of said road in accordance with the plans, specifications and reports of the viewers and engineers, which are now on file in the Auditor's office of said county, said road to be built of crushed stone alone.

A bond must accompany each bid in twice the amount of the bid filed, conditioned on the faithful performance of said work, and that the bidder, if awarded the contract, will enter into contract therefor and complete same, according to such contract and in accordance with the bond filed.

All bids shall be made so as to give the amount for which said road will be constructed for cash, payable on estimates to be made by the engineer in charge not to exceed eighty per cent. of any one estimate, out of the funds to be hereinafter raised by the sale of bonds as required by law.

The Board of Commissioners reserves the right to reject any and all bids.

Rugged Power in a smooth stream

The outstanding characteristic of the Essex Super-Six is complete absence of labor in all performance.

Whether spurting at top speed or doing a comfortable 50 miles an hour all day long, you can realize its super ability only by the way you distance others.

This smoothness means economy—economy of effort, economy of power, economy in the long life of all moving parts.

And in making long tours or using your Essex all day in city traffic, you will find the greater economy of physical freshness that comes from easy driving, riding, steering and control, and its freedom from vibration at all speeds.
