We are glad to note an increased interest in Sunday School attendance and we hope that many will start in to Sunday school now for the rest of their lives. Train up your children in the way they should go and when you are old you will be proud of them and they will take good care of you. Bring your children to Sunday school every Sunday.

We are thankful for the splendid attendance and collections from the Annual Autumn Campaign. The Pleasant Mills charge exceeded last year's giving.

Owing to the Sunday school convention at Bobo the Epworth League will meet promptly at 6:30 and hold a short session. Let every leaguer be loyal to the league.

Our study class in prayermeetings is going splendidly and we hope that many more will join us. We will incur no hardship upon you and we feel sure you will be benefited.

October 30th is the third Quarterly Conference. Let us begin now to get ready for it. Let us get our pledges paid in as soon as possible so that our treasurer can make a gratifying report.

I was glad when they said unto me, let us go into the House of the Lord.

Let us rally around the activities of the church, and make this Day the best because of our interest and attendance upon these means of Grace.

MONTICELLO—Courtship through matrimonial journals is revealed in a divorce suit filed here by Mrs. Virginia Howell against Otis Howell.

She alleges he treated her like "a hired girl," and in addition to doing the house work, she helped husk corn.
