WORLD PAUSES IN TRIBUTE TO SOLDIER DEAD

(CONTINUED FROM PAGE ONE)
this Armistice Day.

In more than 150 Hoosier communities, programs were being held today under the auspices of the boys who once more donned faded khaki uniforms. The program throughout the state varied, yet through all ran a serious thought of the world dead and the significance of Armistice Day.

SELECTIONS FOR CONTESTS PICKED

Music Supervisors Select Numbers For High School Music Contest

The Supervisors of music in Adams county will meet Saturday morning at 10 o'clock, at the high school building at Monroe, for the purpose of selecting the instrumental music to be used for the County Music and Literary Contests, which will be held April 6 and 7 in Berne and Decatur, respectively. The Literary contest will be held in the Decatur high school auditorium on April 6, and the following night, the music contest will be held in the Community Building auditorium at Berne.

The vocal numbers selected are as follows:

Girls Solo—"Four Leaf Clover"—by Whitney Coombs.
Boys Solo—"My Heart's in the Highland," from 101 Best Songs.
Girls Duet—"Cradle Song"—by Brahms, Arr. by Protheroe.
Boys Duet—"Bells of the Sea"—by salman, Arr. by Zamechik.
Mixed Duet—"I Love a Little Cottage"—by Spott-O'Hara.
Girls Quartet—"The Little Papoose"—by Sherwood.

Boys Quartet—"Sweet Genevieve"—by Tucker, from Twice 55, Green Book No. 2.

Mixed Quartet—"Carry Me Back to Old Virginia"—James Bland.

Girls Glee Club—"May Day Song"—by Ann Risher.

Boys Glee Club—"Bells of St. Marys"—by Emmett Adams.

The mixed chorus number will also be selected tomorrow along with the instrumental music. The supervisors are endeavoring to select easy numbers which will be within the ability of all high school pupils, even those who do not have music in the school.

BOBBED HAired WOMEN

NEEDN'T HAVE GRAY HAIR

Nature Will Keep Hair Youthful Shade Free Of Gray

LIFELESS GRAY HAIR REGAINS OLD BEAUTY

Everybody knows if color glands and hair roots are healthy, and active, the hair will continue entirely free of gray or streaked locks.

A doctor several years ago asked himself this question: If I can stimulate digestion, liver, heart, etc., with a tonic, why not rub a stimulating tonic into the scalp that will revive those inactive glands so nature in her natural way will resume putting plenty of pigment into the hair tubes—surely the hair will then resume its original beautiful shades of youth regardless of user's age or previous condition of their hair.

REMARKABLE DISCOVERY

The doctor's search led to endless experiments. He didn't want a dye or tint, and it, of course, must be harmless even if a person used it many years. Under the name, Lea's Hair Tonic anyone may now purchase the tonic he finally perfected. For several years hairdressers, scattered over the country have been using it. Results are so nice and gradual men used it too. It doesn't stain the scalp, and as a test one need only apply it to some small spot a few days to watch results. Shampoo as often as desired.

Most people are first induced to try Lea's for gray hair but it primarily was intended as a tonic to put the scalp, hair roots, pigment glands and hair in a healthy, vigorous condition. Of course with a healthy scalp comes a change in appearance of hair and a restoration of the natural shade of brown red, black, auburn, or blonde. There are some three thousand shades of color in human hair—no dye expert can paint one's hair as exquisitely as nature. Lea's merely stimulates nature to renewed activity, puts nature back on the job, you might say, and the tint she imparts to your hair, once the scalp, roots and glands become healthy is natural. What is more beautiful or becoming than nature's own choice of shade to match your eyes, complexion and beauty?

If a reader desires to try Lea's Hair Tonic on guarantee of complete satisfaction they should get a bottle at drug store.

Experts cannot detect the use of Lea's Hair Tonic.

Former Enemy Nations Observe Armistice Day

Washington, Nov. 11—(INS)—The Black, Red and Gold flag of the German republic flew at full staff today above the German embassy here. Likewise the flags of the kingdom of Hungary and the Republic of Australia were unfurled above the legislatures of those governments.

In this silent manner these former enemy Nations took official cognizance of Armistice Day in the capital of the country whose force of arms and wealth thrown into the conflict on the side of the Allies brought to an end the Great World conflagration nine years ago.

It was their way of proclaiming that they accept the observance of Armistice Day in America as a day of sorrowful remembrance of the dead of all Nations and the thanksgiving for the peace of the world, and not a day of gloating celebration for victory over a crushed and beaten foe.
