### NOW SHOWING—"BUSINESS INTERFERES WITH PLEASURE."

### MRS. SNYDER AND GRAY MUST FACE DEATH TONIGHT

(CONTINUED FROM PAGE ONE)

ry Judd Gray, at the originally set hour of eleven o'clock tonight.

Not until he is definitely told to do otherwise by state officials, whose advice he has sought, will Warden Lewis E. Lawes, change the hour of the double execution.

In ordering Mrs. Snyder's execution stayed, supreme court justice, Aaron Levy, directed Warden Lawes to show cause at ten o'clock tomorrow why he should not produce the condemned woman as a witness in a suit involving the \$95,000 of insurance on the life of her husband.

"I have asked the advice of Attorney Albert Ottinger and Dr. Raymond F. C. Kieb, state commissioner of corrections," said Warden Lawes this morning. "If they agree that Justice Levy has a right to postpone the executions then they will be postponed."

Lawes further stated that if the executions are put off later than Saturday night, the trial judge, Justice Townsend Scudder, will have to set a new date for the electrocutions. The original order specified that the condemned pair must be executed the week of January 9. The warden said that, in such an event, Justice Scudder would probably postpone the executions a month.

### Berne Artificial Stone Company Sells Property

Berne, Jan. 12—(Special)—At a meeting of the directors of the Berne Artificial Stone company, Wednesday, it was voted to sell the real estate of the company, to T. A. Gottschalk. Mr. Gottschalk made his bid on the real estate when it was offered for sale at auction last Saturday.

Mr. Gottschalk and a partner, whose name he has not disclosed, purchased the real estate and they plan to incorporate under the firm name of the Gottschalk Supply Co., Inc.

Possession of the property was taken by Mr. Gottschalk yesterday. The main building on the ground, a one-story cement block structure will be converted into an office building. It will house the office for the new firm and also a suite of offices will be arranged for the B. and G. Construction Co., which have heretofore been located on the second floor of the Bank of Berne, building.

### Civil War Vet Gets 13th Parole From State Prison

Michigan City, Ind., Jan. 12—(UP)—Although a life prisoner in the Michigan City state prison, Henry Romine, 80, has been paroled 13 times and permitted to leave the state without a guard or other restraint except his promise to return.

Home, the only Civil War veteran serving a sentence in any penitentiary in the United States, was in Erie, Pa., today on his thirteenth parole, visiting a daughter who is ill Mrs. Mary Moore.

Fifteen years ago, Romine was involved in a barroom brawl at Columbus, Ind., in which a bartender was slain. Three men implicated with him turned state's evidence and gave circumstantial evidence that convicted Romine. He was sentenced to life.

Romine was not permitted out of the prison for eight years. But seven years ago, he was paroled without a guard so he could attend a Grand Army of the Republic convention.

This parole has become an annual fixture. Romine has been released every year for the annual G. A. R. reunion. Illness among some of his nine children also has obtained temporary freedom for him. Once he was paroled for 60 days.

The aged veteran is a great favorite of Warden Walter H. Daly. Prison officials obtained for him a tailored G. A. R. uniform to be worn at the annual reunions.

The prisoner's war record will be cited at the next meeting of the prison board in urging that he be pardoned. He served with an Ohio company of volunteers in the Civil war and distinguished himself at the battle of Kenesaw Mountain.

Relatives of the slain bartender whose name does not appear on state records in this lat day have protested heretofore against Romine's pardon, but this time it is expected to be granted.

### Beggar Works "Sympathy Racket"; Fined By Mayor

Shelbyville, Ind., Jan. 12—(INS)—Frank Nolan, 49, arrested by local police, entered a plea of guilty when charged with obtaining money under false pretenses. He was charged with attempting to work the "sympathy racket" on local merchants.

He visited merchants with his hand and arm wrapped in an imposing bandage and told a pitiful tale about the bones in his arm being tubercular. He said that he wished to raise funds to pay his expenses at the Mayo Clinic at Rochester, Minn.

When arrested, he was taken to a physician who examined his arm and reported that there was no evidence of the ailment.

Mayor James A. Emmert sentenced him to serve thirty days at the state farm and fined him ten dollars and costs.
