NEWS FROM THE TRAINING CAMPS

(INS)—
St. Petersburg, Fla., Feb. 27.—Fif-
teen ball players will inaugurate the
training season at the camp of the
New York Yankees here today. Babe
Ruth will play only golf for the first
week.

The only unsigned Yanks are Waite
Hoyt and Tony Lazzeri.

Hot Springs, Ark., Feb. 27.—Highly
pleased by the work of nineteen-year-
old Melvin Ott at second base in yes-
terday's practice, John McGraw hopes
he will be able to fill Rogers Horns-
by's shoes.
McGraw has sent an ultimatum to
Vic Aldridge, a holdout, offering the
pitcher \$1,000 more than he got from
the Pirates last year.

Cleaver, Fla., Feb. 27.—Having
failed to sign Dazzy Vance for one
year at \$15,000, Manager Wilbert Rob-
inson today turned the dispute over to
Brooklyn officials for settlement. The
Dodger mound ace wants \$20,000 a
year on a two-year contract.
Outfielder "Jigger" Statz also is a
holdout.
Eighteen Robins were to hold their
first practice session today.

Tampa, Fla., Feb. 27.—"Sad Sam-
uel" Jones is a real holdout. Owner
Clark Griffith has telegraphed the
pitcher withdrawing all offers hereto-
fore made him because Jones failed
to report by Saturday. The Browns
were paying him \$12,000 a year, which
Griffith, who is not noted for lavish-
ness in the matter of salaries, thinks
is too much.

Catalina Island, Cal., Feb. 27.—Boss
Joe McCarthy of the Cubs had all his
boys together today for the first time
this season. The second and final
contingent of players checked in from
Chicago yesterday.

Paso Robles, Cal., Feb. 27.—Manag-
er Donie Bush is giving plenty of at-
tention to developing reserve catch-
ing talent. He put Pete Scott, the
former Cub, through a stiff drill to-
day.

Winter Haven, Fla., Feb. 27.—With
the marathon contests ended the
Phys settled down today to two ses-
sions a day of batting and infield prac-
tice. Last week Pilot Bert Shotton
kept his men non the run the entire
time in an effort to get them into
shape.

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Persistent coughs and colds lead to seri-
ous trouble. You can stop them now with
Creomulsion, an emulsified creosote that
is pleasant to take. Creomulsion is a new
medical discovery with two-fold action; it
soothes and heals the inflamed membranes
and inhibits germ growth.

Of all known drugs, creosote is recog-
nized by high medical authorities as one
of the greatest healing agencies for per-
sistent coughs and colds and other forms
of throat troubles. Creomulsion contains,
in addition to creosote, other healing el-
ements which soothe and heal the infected
membranes and stop the irritation and
inflammation while the creosote goes on
to the stomach, is absorbed into the blood,
attacks the seat of the trouble and checks
the growth of the germs.

Creomulsion is guaranteed satisfactory
in the treatment of persistent coughs and
colds, bronchial asthma, bronchitis and
other forms of respiratory diseases, and is
excellent for building up the system after
colds or flu. Money refunded if any cough
or cold is not relieved after taking accord-
ing to directions. Ask your druggist. (adv.)
