Condition of Mrs. Deam Is Critical

Word received Monday in a letter written to Mrs. Carrie Haubold of this city, by Mrs. Bert Townsend, of Frankfort, Kentucky, conveys the sad news that the condition of Mrs. Jessie Deam of Decatur is very critical. Mrs. Deam was taken to the Frankfort hospital last Wednesday and underwent an operation on Saturday morning. Because of the serious condition of her heart, it was impossible to administer an anesthetic for the operation. A gallon of pus fluid was removed from her stomach and bowels. For a week past, Mrs. Deam has been delirious and is still a patient at the hospital. Mrs. Mack, a sister has been advised to remain at the bedside rather than return to her home in Alabama.

SENIOR PLAY IS CLEVER COMEDY

who spent most of her time trying to reduce, improve her beauty and remain young, but had little success in either.
The leading comedy role, that of Lizzie, the eccentric maid on whom Mrs. Peyton tried out all new beauty remedies and exercises, was well played by Miss Virginia Hite. Miss Helen Shroll, as Hedwig, an Irish masseuse, produced many laughs, also, as she put Mrs. Peyton through her beauty culture exercises. Gerald Koos, as Hamilton, the butler, and Kenneth Schnepf, as Mrs. Peyton's chauffeur, ha comparatively light but important roles and their acting was very creditable.

The play was directed by Mrs. J. R. Blair, of this city, and was supervised by Miss Blanche McCrory, class guardian. Bill Bell and Charles Magley were stage and property managers for the play and they worked untiringly for the success of the play. The furniture used on the stage was loaned by the Beavers and Fryback store, and the imported scarfs and drapes used in the play were loaned by Miss Mary Moses and Mrs. C. E. Bell.

Miss Dorothy Haley provided piano music before and after the play. Between the first and second acts, Miss Angie Ficks and Mrs. Carrie Haubold played two piano duets and Miss Isabel Cloud, accompanied at the piano by Miss Haley, sang a group of solos. Miss Desolene Chester, accompanied by Miss Haubold, sang a group of solos between the second and third acts.

HUNT MISSING MAIL ROBBERS

Wide Search Made For Missing Member Of Gang Wanted At Chicago

Chicago, Feb. 28.—(U.P.)—More than forty United States postal inspectors today joined in the search for missing members of the bandit gang which robbed a grand trunk mail train of \$133,000.

Five men, alleged leaders in the robbery, remained in custody today while authorities searched for the remainder of the loot which had not been recovered. Police reported more than half of the loot, which consisted of payroll consignments from Chicago banks to factories in the Calumet district, had been recovered.

Search was instituted for Fred Litinger, wanted one of the actual participants in the robbery Saturday.

Police maintained that the confessions of Charles "Limpy" Clever and William Donovan, arrested Sunday morning, established the entire plot but activity today centered in the recovery of the missing portion of the money and in gathering additional evidence to present in prosecution of the robbers.

MOOSE TO SEEK NEW MEMBERS

Leare, secretary; Geo. Tester, treasurer; Wm. Foughty, Sergeant-at-Arms; Philip Melhis, inner guard; Wm. Hunt, outer guard; Adam Schafer, trustee; L. C. Helm, trustee, R. R. Green, trustee.

The Loyal Order of Moose, now an international organization, has more than 673,000 members, both men and women. It was instituted in the state of Indiana in 1906, under the leadership of James J. Davis, now Secretary of Labor, and who has remained at the head of this organization up to date.

This fraternity operates a National School and Home at Mooseheart, Ill., for the children of deceased members and maintains a National aged home at Jacksonville, Fla., and has recently added what is known as Mooseheart and Moosehaven Extension service. At the present time, there are 168 aged women and men at Mooseheart, 1343 mothers and children at Mooseheart, 274 families comprised of 208 aged persons and 1192 children in this extension service, which makes a total of 2916 persons being cared for through this service administered by the Loyal Order of Moose.

The Loyal Order of Moose, during the year of 1927, spent more than \$1,757,000 on its charity projects alone. This does not include the local sick and death benefits paid by the 1700 subordinate lodges throughout the United States, which amounted to \$2,304,409.35 during the past year, and which makes a total of relief administered by the Loyal Order of Moose during the year 1927 amounting to \$4,061,490.35, and which is the

Turn Hair Dark With Sage Tea

By JEAN MACON

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's recipe, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.
Nowadays, though, we don't have the troublesome task of gathering the sage and the mussy mixing at home. All drug stores sell this ready-to-use product for only 75 cents, improved by the addition of other ingredients, called "Wyeth's Sage and Sulphur Compound." It is very popular because nobody can discover it has been applied. Simply moisten your comb or a soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears, but what delights the ladies with Wyeth's Sage and Sulphur Compound, is that, besides beautifully darkening the hair after a few applications, it also produces that soft lustre and appearance of abundance which is so attractive.

CRIPPLED BADLY WITH RHEUMATISM

The Loyal Order of Moose is still operated as a strict fraternal benefit society, with each of its subordinate lodges operating with full local autonomy.

The national home and school at Mooseheart, Ill., is now considered by philanthropists and educators as one of the show places of America, and is being patterned after by many other organizations.

This campaign is to be run for a period of 30 days only, and Mr. J. B. Roop will be chairman of the local membership committee, and Chas. A. Heare will act as secretary of the same.

Mother And Four Children Burn To Death In Home

Mrs. Gerneau had rescued six of the children and gone back into the flaming house to save the others when she was trapped. The father, a contractor, was away at work at the time of the tragedy.

Could Hardly Get Around

"Working in a damp place gave me rheumatism so badly I could hardly get around. My joints and knuckles were swollen badly and every muscle in my body seemed to ache. I tried 'St. Jacob's Oil' and got relief almost instantly. Today, thanks to that wonderful oil, I work eight hours a day in all kinds of weather without a bit of trouble."
