Case Of Stomach Trouble  
and Nervousness

MISS HATTIE C. HOWE

"A few doses of Konjola convinced me that I had found the right medicine at last," said Miss Hattie C. Howe, 153 Perry St., Elgin, Ill.

"I had been doctoring for a long time for stomach trouble and nervousness, but nothing ever seemed to help me and my condition was growing worse. Terrible indigestion pains caused me the most suffering. After meals I would bloat up with gas until I could hardly get my breath and my throat and chest would burn like fire. At night I would get so nervous, it was impossible for me to get more than a few hours sleep.

"When I realized Konjola was helping me, I kept right on with it until I was sure my whole system was cleansed thoroughly. Now, every symptom of stomach trouble is gone and my nerves are much stronger. I feel better than I have for a long time and I owe every bit of the new health I enjoy to Konjola."

Konjola is sold in Decatur at Smith Yager & Falks drug store and by all the best druggists in all towns throughout this section.

No other car in The Victory price class can approach these astonishing get-away figures! And the statement holds equally true of Victory speed! . . . Watch the car flash thru traffic, lead off at the go signal and hold its lead! Ask Victory owners about its amazing pull on the hills!

There's a simple, logical answer to this spectacular performance—unequalled power per pound of car weight.

In other words, a new and superior kind of engine with a new and superior kind of body.

The problem of weight solved thru simplicity of design. The problem of design solved thru simplicity of parts. (No body sills—only 8 major body pieces)

High power made feasible by rugged Dodge construction and Dodge quality materials. . . . High speed made practical by a lower gravity center and no body overhang. (Chassis full width of body)

A car that glides over ruts and railroad tracks with limousine smoothness and takes sharp corners without sidesway.

And a beauty! Inside and out! A quality car in the smartest sense of the word—at a price that seems incredible!
