KONJOLA QUICKLY ENDED THE MISERY HE HAD SUFFERED

Stomach Trouble and Sleepless Nights Weakened His Whole System

"A disordered stomach caused me untold misery in the last five years," said Mrs. R. H. McDonald, 168 North Miami St., Peru, Ind., "and I was never able to find a medicine to give me lasting relief until I got Konjola."

"My condition had become so bad that I was afraid to eat on account of the suffering I knew would come afterward. Gas would form and press against my heart, causing shortness of breath and palpitation of the heart. Improper bowel movement caused poisons to gather in my system and give me still greater suffering. I was almost too nervous to sleep at night and during the day I was too weak to get my work."

"I got Konjola and this medicine ended all my suffering. Now my digestion is good, I rest better at night and I am stronger in every way to carry on my work. I urge everyone in poor health to give this medicine a trial."

Konjola is sold in Decatur at Smith Yager & Falk drug store and by all the best druggists in all towns throughout this section.

AVOID DIZZY SPELLS

Never well. Always tired and fagged out. Beauty tossed away by neglect. To be beautiful and to keep youth the system must be free from poisonous backwash of constipation which often causes dizzy spells. For 20 years, Dr. F. M. Edwards gave his patients, in place of calomel, a compound of vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. Known by their olive color. They free the system of poisons that ravage health, energy, beauty.

You need never have sallow complexion, dull eyes, coated tongue, throbbing headaches—all signs that your bowels are clogged, liver is torpid. Take Dr. Edwards' Olive Tablets nightly. They act smoothly and without griping. . . . How much better you'll feel and look! Everywhere wise men and women who know the value of good health take Dr. Edwards' Olive Tablets. All druggists, 15c, 30c and 60c.
