SPECIAL MUSIC ADDS TO SERVICE

Last evening registered the largest week-night audience so far in the series of Lenten evangelistic services being held at the Evangelical church in Decatur. Prof. Gerber was assisted in the song service by Mr. Weaver, accomplished pianist, of the Fort Wayne Bible Training School. Mr. Weaver's playing added great inspiration to the service. He will be present tonight, also.

Rev. Loose preached on the subject "Does Religion Pay?" He used for his text I. Tim. 4-6—"Goodness is profitable unto all things, having promise of the life that now is, and of the life which is to come." He showed that from the angle of this life only Christian living is a big paying investment. The Christian is justified in believing he is getting the very best out of this life. Then he has the added investment of an unfolding eternity. He should apply all his energies to the highest possible development of the investment.

Tonight, the faculty quartet of the Fort Wayne Bible Training school with Mr. Weaver as pianist, will assist in the song service. The B. G. Smith, of Bible Training School, will preach. A very unusual treat is assured all who attend this evening's service. The choir is urged to be present promptly. The Ladies Aid will meet tomorrow afternoon at 2 o'clock so there will be no special meeting. The meeting yesterday afternoon was well attended and very helpful. There will be another afternoon meeting on Friday at 2 o'clock. The quarterly conference, announced for Wednesday evening has been changed to Friday evening, when The Rev. J. O. Mosier, of Van Wert will preach. The public is cordially invited to all these services.

Mrs. Clara Anderson, of Geneva, candidate for the democratic nomination for recorder, visited here this morning. Her father, S. W. Hale accompanied her.

CLEAN KIDNEYS BY DRINKING LOTS OF WATER

Take Salts to Flush Kidneys if
Bladder Bothers or
Back Hurts

Eating too much rich food may produce kidney trouble in some form, says a well-known authority, because the acids created excite the kidneys. Then they become overworked, get sluggish, clog up and cause all sorts of distress, particularly backache and misery in the kidney region, rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, begin drinking lots of good water and also get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush clogged kidneys and stimulate them to activity; also to neutralize the acids in the system so that they no longer irritate, thus often relieving bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help keep the kidneys and urinary organs clean, thus often avoiding serious kidney disorders.

STOP CATARRH! OPEN NOSTRILS AND HEAD

Says Cream Applied in Nostrils
Relieves Head-Colds at Once.

If your nostrils are clogged and your head is stuffed and you can't breathe freely because of a cold or catarrh, just get a small bottle of Ely's Cream Balm at any drug store. Apply a little of this fragrant, antiseptic cream into your nostrils and let it penetrate through every air passage of your head, soothing and healing the inflamed, swollen mucous membrane and you get instant relief.

Ah! how good it feels. Your nostrils are open, your head is clear, no more hawking, snuffling, blowing; no more headache, dryness or struggling for breath. Ely's Cream Balm is just what sufferers from head colds and catarrh need. It's a delight.

winners will be announced March 28, at which time checks for all winners will be mailed. Altogether, cash prizes amounting to \$1,100 will be given to 7th and 8th grade pupils in the state for their essays on Fire Prevention and Fire Protection. The winning essays will be published from time to time in the Indiana Fire Prevention Quarterly, the official organ of the state fire marshal department. Approximately ten thousand essays were entered with the county judges.

Also, many thousand of essays were eliminated by the teacher of the state, as a preliminary to entering their schools in the contest.

Indiana is the only state in the Union that has had a fire prevention campaign, sponsored and held by the fire marshal department, over an entire state. The experiment has proven very successful. It has had the hearty endorsement of insurance men, school and other officials, as well as the citizens of the state.

Lost!

The Decatur lad who originated this one for April Fool's Day sprang a new one.

Boy: "Mister, did you lose a dollar bill this morning?"
Man: "Yes, I believe I did. Did you find one?"

Boy: "No, but I was wondering how many had been lost? Your makes the 97th."

"Step On The Gas"

Now you turn the switch or step on the gas.

And away the May-tag goes.

There never was such an easy way To wash the farmer's clothes.

"Did you give your penny to the Sunday School, Robert?" asked the fond mother.
"No, ma, I lost it."

"What! Lost another one? That makes three Sundays straight, you've lost your penny."

"Yes, but if I keep up I'll win 'em back. That kid's luck can't last forever."
