SUDDEN DEATH OF SEN. WILLIS WIDELY MOURNED

(CONTINUED ON PAGE TWO)

He was carried into the president's office and Dr. James Dorrance was called from the audience. The doctor arrived just as the senator died. Death was attributed to cerebral hemorrhage.

Mrs. Willis meanwhile had been called from the platform. She was grief stricken.

Bruce Burgess, president of the Delaware-Willis-for-President club, went back into the chapel and there announced that Ohio's favorite son and Delaware's first citizen, was dead.

The 3,000 or more persons who had come to cheer Willis, were stunned. There was a hush over the room. Many of the audience had chatted with the senator during the day, or had seen him on the streets.

The body later was taken to an undertaking parlor and will be held pending arrival of the senator's two brothers, Dr. Lloyd Willis of Chicago and Buell Willis of Lewis Center, O. Mrs. Willis was taken to her home at Galena, O. A daughter, teacher at Ohio Northern university at Ada, was advised of her father's death.

Funeral arrangements will not be announced until the brothers arrive.

COOLIDGE SENDS CONDOLENCE

Washington, Mar. 31.—(U.P.)—President Coolidge today sent condolences to Mrs. Frank B. Willis, wife of Senator Willis, who died last night at Delaware, Ohio.

The message said:

"News of the sudden passing of your husband has been a great shock to me. He rendered distinguished service in his state assembly, later as governor of Ohio, and also in the national house and senate. He was an earnest and effective advocate of causes which he considered just, and a man of upright character. His going will be a distinct loss to our public life. Mrs. Coolidge joins me in deep sympathy for you and your daughter and her other relatives and friends."

Hoover Makes Statement

New York, Mar. 31.—(U.P.)—Herbert Hoover, who became the only republican presidential candidate for the Ohio primaries as result of the death of Senator Frank B. Willis, issued the following statement upon being advised of Willis' death:

"Mr. Willis, as school teacher, governor and senator, has given his life to honest, upright public service. The passing of so conscientious a public servant is a matter of deep regret to every citizen."

HIGHWAY BODY TO PICK OFFICERS

Notice has been received from C. E. Knapp, president of the Benjamin Franklin Highway Association, that the annual meeting of the association will be held on April 9, at 10 o'clock A. M., at the Elks club at Findlay, Ohio. He is urging all members of state and county organizations to be present.

The purpose of the meeting is to elect all the officers of the National Benjamin Franklin Highway Association, hear the annual report of all the officers of the National Association and of the various state associations, determine the work and policy to be carried out during the coming year and to transact all other business that may properly come before the meeting.

BIDS FOR PAVING STATE ROAD NO. 3 ARE OPENED

Indianapolis, March 31.—(INS)—A bid for the stretch of 8.25 miles of State road 3 in Wells County was included in bids for maintenance opened by the State Highway Commission Friday.

The low bidder on this stretch was the N. B. Putnam Company, of Fort Wayne. The low bid on ordinary bituminous resurfacing was \$70,132.80 and for bituminous with 34 inch rock asphalt surface \$105,376.60. The engineer's estimate on the first was \$75,579.32 and on the second \$111,263.52.

The Putnam Company probably will get the contract as their bids on both types were lowest and below the high way engineer's estimates.

The low bidder is the same firm that was low on the Muncie-Hartford City sector of road 3.

MAN ADMITS HE SENT THREAT TO PRESIDENT

South Bend, Ind., Mar. 31.—(INS)—Federal Judge Thomas W. Slick today had under advisement the case of Albert Anderson, 53-year-old Donaldson, Indiana, farmer who pleaded guilty to a charge of sending a threatening letter to President Coolidge demanding \$50,000.

When Anderson was arraigned in federal court he first pleaded not guilty, but later changed his plea to guilty.

It was regarded as possible that the court would send Anderson to the federal prison at Leavenworth from where he would be sent to an institution for the insane for observation.

But they were not altogether certain that Willis' removal from the ranks of Hoover's bitter foes signified a walkover in the Buckeye state for Hoover.

While Willis' dramatic death leaves Hoover the only republican candidate in the Ohio primary April 24 and while time for filing has long since expired, it was pointed out two things could happen with Willis' delegates:

1—They might be chosen by anti-Hoover voters.

2—They might be swung over to Hoover if Willis' leaders in Ohio chose to make such a switch.

The latter contingency, however, seemed remote to political experts here, since the fight against Hoover had been so strong that it seemed doubtful such a change could be made overnight.

The Putnam Company probably will get the contract as their bids on both types were lowest and below the high way engineer's estimates.
