A hero is the man who once forgot that he was a coward.

We are always glad to talk to you about anything in the hardware line. If we weren't we wouldn't be in the business.

Maytag Washer
At last, the wife comes into her own. Long, tiresome wash days are past. The New Maytag takes the burden now, it washes clean and fast.

Mr. Fred Kuehler has purchased a new Multi-Motor Maytag Washer.

Dr. Burt Mangold (to his pastor in the dental chair): "After your sermon last Sunday on 'The Beauty of Truth' I can't tell a lie. This will hurt."

Don't buy paint by the gallon! 'S funny statement for us to make when we sell paint, but we might add, don't buy it by the quart either, nor by the pint or barrel! Buy it by the square foot. If you do that you will buy Martin - Senour - 100% Pure Paint because it covers the most square feet per dollar.

Many a man's married happiness depends on his lie-ability.

REMEMBER—Criticism tires are made to wear out—NOT Blow out.

When Sir Walter Raleigh spread his cloak for Queen Elizabeth, he said, "Step on it, Lizzy."

American Fence just means more and better fence for the money.

There once was a driver named Morning Who refused to heed a warning. He drove on the track Without looking back. So they're mourning this morning for Morning.

Ten Years Ago Today James Foreman purchased 60 rods 1140 heavy fence. Wm. Mitchell purchased 160 rods 6' stay fence. Emerson Elzey, Wren, Ohio, purchased 80 rods 1947 regular

quart either, nor by the pint or barrel! Buy it by the square foot. If you do that you will buy Martin - Senour - 100% Pure Paint because it covers the most square feet per dollar.

Hoboy had fallen down steps and his wife was bending over him. "Oh, son said, 'I'm sorry, did you miss a step?'" "No," he growled, "I hit 'em all!"

Today, property follows the tractor. Necessity and changing times have brought about great improvements on the farm. When you reaper your operations, stick to McCormick-Deering and the many McCormick-Deering machines built to go hand in hand with these tractors.

"Why don't you let your hair?" "I can't decide on the style," replied the ecstatic old maid.

"I don't know whether to have it look like a whisk broom or a feather duster."

The best angle from which to approach any problem is the fly angle.
