your stand in these matters?

"4 Why did you endorse Ralph E. Updike, seventh district congressman, when you know that he sold his congressional office to Stephenson in writing and that the Grand Jury of Marion county announced that the contract was in the black boxes of D. C. Stephenson?"

"5 Have you discontinued the investigation of the Federal whisky cases?"

"6 Why did you endorse Arthur R. Robinson for re-election as United States senator, when you know he is a member of the law firm in Indianapolis that has had more bootleg business than any other firm in said city?"

"7 Why have you not joined me in my research work that will locate the higher-ups in flagrant liquor law enforcement violations?"

"8 Explain why you lost interest in the law violation in the celebrated Squibbs whisky case, wherein hundreds of cases of whisky were carted out of the Indianapolis Federal building. I ask you, Mr. Shumaker, to tell the church people of Indiana who furnished the truck drivers and key, who got the whisky and why the federal investigators and all of the papers were pigeon-holed?"

Why did you not join me in my demand upon Senator Arthur Capper of Kansas for a congressional investigation?"

"9 I answered your questionnaire in full, why did you not publish my answer in full in which I urged you to join me in unearthing political fraud and corruption and exposing the infamy of the Squibbs whisky fraud?"

"10 Should you not be candid and true in your statements to your members so they may know the truth?"

"11 Please give your answer in the case to the press so that the public may know exactly your position on political corruption here outlined."
