"Ha-wy-ce"

This proper name, Hawaii, is correctly pronounced "Ha-wy-ce," with the accent on the second syllable. The "a" in the first syllable is sounded as in "ah" and "father." Hawaii is the name of the largest island of the group formerly known as the Sandwich Islands, but now known as the Hawaiian Islands. —Pathfinder Magazine.

Russian Alphabet  
The characters of the Russian alphabet are derived from the Byzantine Greek of the Ninth century. To this, "Cyril" added others to cover Slavonic sounds and thus increased the number to 35 letters.

Two Judges on Premises  
At the Old Bailey in London, the world's most famous Criminal court, there is a strange rule that a judge cannot sit unless there is at least one other judge on the premises. The latter may not have any cases to hear but he must be in the building.

Reminder  
A lady ran away from her husband and went to live in a hotel. After several days she went back to him. She said she couldn't stand looking at the sign on the door every time she went out; it troubled her conscience. The sign was: "Think; have you left anything?"—Vancouver Province.

Buddhism's Many Sects  
Like the Christian religion, while fundamental principles and doctrines are usually accepted, there is wide divergence in doctrine and polity of Buddhism. In Japan there are 12 sects of Buddhism, 13 sects of Shintoism and 12 forms of Christianity. Religions freedom is absolute in the empire.

Blood in Human Body  
One-thirteenth of the body weight is blood. Because of the weight variation in individuals it cannot be accurately stated how many quarts of blood there is in the human body. This may be approximately estimated for the individual upon the basis of his own body weight.

NOTICE TO TAXPAYERS  
Notice is hereby given that MONDAY, MAY 7, 1928 will be the last day to pay the Spring installment of taxes. The county treasurer's office will be open from 8 a. m. to 4 p. m. during the tax paying season. All taxes not paid by that time will become delinquent and a 10% penalty will be added. Do not put off paying your taxes as they must be paid and the law points out the duty of the county treasurer.

Those who have bought or sold property and wish a division of taxes, are asked to come in at once. Don't wait for the rush. No receipts can be laid away for anyone, so please don't ask for it. We will be glad to mail the paid receipts to those who mail in their checks to this office before the final taxpaying date.

ED ASHBAUCHER, Treasurer, To May 7. of Adams County, Ind.

## Ancient Rome Had 9-Story "Skyscraper," Excavations Disclose

Glen Cove, Maine, May 4.—(U.R.)—Knox county has held its first Rooster crowing contest but the winner probably never will be known.

The five prize birds entered in the cock-a-doodle-do tourney remained stubbornly silent during most of the contest, while members of the Grange waited patiently for the battle of noise to begin.

Finally it was decided that the bright lights of the hall were responsible for the roosters' silence and some one suggested that the lights be extinguished.

In the friendly darkness, the Quintet of Chanticleers crowed lustily, but then a new obstacle arose. The judges couldn't determine which Rooster was doing the best crowing.

When the lights were switched on, the crowing ceased, and Grangers reluctantly decided that, unlike hog-calling and flagpole-sitting contests, a rooster-crowing contest was impracticable.

Commandments Divided  
The first four of the Ten Commandments relate to sacred duties, while the other six refer to secular, or our duties to our neighbors.
