ORGANIZATION IS FORMED TO WORK FOR STATE PARK

(CONTINUED FROM PAGE ONE)

making an artificial basin several miles in circumference.

After the inspection trip, the men met at the office of Mr. Cross and discussed plans and projects for carrying out the idea of creating a state park. Talks were made by Mr. Biederwolf, Mr. Saunders, Mr. Gottschalk, Mr. Lutz, Mr. Quinn and others.

Mr. Biederwolf was very enthusiastic over the proposed park and assured the meeting the support of the Izaak Walton League. The men present expressed the opinion that an effort should be directed by the citizens of this northeast territory, the state conservation department and the Izaak Walton League to secure the enactment of the proper legislation for the state of Indiana to take over the proposition.

With this idea in view, a permanent organization with W. D. Cross, Jr., as president, was formed.

MODIFICATION PLANK NOT AIM OF GOV. SMITH

(CONTINUED FROM PAGE ONE)

forcing laws while they remain on the statute books.

The governor's statement met with two chief reactions here, namely: 1—Drys claimed it put him more firmly on record as a "wet," and as such they oppose him.

2—Smith's friends said the part of frankness demanded that he make his position clear before the convention, thus not taking the nomination under false pretenses.

The drys are holding regular prayer sessions in their headquarters around the corner from the Rice Hotel, chief gathering place of the Democratic clans. Their noon day meetings are opened with prayer.

Most of the drys are women. The Senator Reed forces have been trying to win their support, but thus far the effort seems to have failed. Although Mrs. Jessie Nicholson of Chevy Chase, Md., a suburb of the national capital, was named by dry women for Reed, Mrs. Nicholson emphatically denied she had any intention of supporting him. May label Reed as a wet.

Hoosiers Oppose Wet Plank
Indianapolis, Ind., June 22—(INS)—Opposition to adoption of a "wet" platform plank by the Democratic national convention was noticeable among the members of the Indiana delegation as they prepared to entrain for Houston, Tex., this afternoon.

Although the Hoosier delegation, which was scheduled to leave on the "Evans Woollen Special" at 5:45 p. m., is not antagonistic to Governor Al Smith, there was belief that an anti-prohibition stand by the national convention would menace what leaders said was the probability of election of a Democratic state ticket this fall.

SWIMMING POOL TO OPEN TUESDAY

(CONTINUED FROM PAGE ONE)

girls. Certificates will be issued to all who pass the tests.

All persons past 14 years of age must obtain a health certificate from a physician or nurse, before they will be permitted to use the pool. The committee in charge of the pool is determined to keep all persons who have a contagious or infectious disease out of the pool this year. Persons who have a running sore or skin disease are notified that they must not enter the pool.

The city officials have made arrangements to have the temperature of the water in the pool more agreeable this year than it was last year and to change the water frequently. A new spray pond has been built at the water works and this will make the water much cooler than it was last year, when it was too warm.

As usual, there will be no charge for using the pool. A small charge is made for checking clothes at the bath house.

Schedule Of Hours

The schedule of hours for the pool is as follows:
1 to 2:30 p.m., Monday, Wednesday and Friday—Boys from 1 to 12 years, inclusive.

2:30 to 4 p.m., Monday, Wednesday and Friday—Boys from 13 to 18 years, inclusive.

1 to 2:30 p.m., Tuesday, Thursday

TWO PRIESTS ARE HONORED

Two Members of Ft. Wayne Diocese Elevated To Rank Of Papal Chamberlains

Fort Wayne, June 22—Distinct recognition by His Holiness Pope Pius XI has been obtained by Rt. Rev. Bishop John F. Noll, D. D., in favor of Rev. Charles H.
