CENTRAL LEAGUE DIVIDES SEASON

Fort Wayne July 5—Fort Wayne's Chiefs are champions of the Central league for the first half of the season. The announcement from President Wyllie's office that the league had decided to play a split schedule, making Fort Wayne the winner of the first half, shared interest Tuesday with the efforts of the warriors to win their thirteenth consecutive victory.

They accomplished the latter object after being forced to go 13 innings for the second day in session to beat Canton. The score was 5 to 4, the game being played in sweltering atmosphere that threatened to knock out several of the athletes before they finished the long afternoon's toil.

According to the announcement from President Wyllie's office Tuesday's game would up the first half of the season and the six clubs started out with clean slates with the July 4 double-headers. Games that were postponed in the first half were thrown out altogether. At the end of the season, there will be a series between Fort Wayne and the winner of the second half, providing of course the Chiefs do not win both halves of the schedule. They finished out in front by four games and a half in the season that ended Tuesday.

Watching The Scoreboard

Yesterday's hero: Eppa Rixey, Cincinnati Reds' southpaw, who pitched a seven-hit shutout against the Pittsburgh Pirates, the score being 6 to 0. The Reds also took the second game of a double header, 11 to 3.

The Brooklyn Dodgers, aided by home runs by Herman and Bissone, took the first game from the New York Giants, 8 to 3, but dropped the second, 5 to 2, as a deluge halted play after four and a half innings.

The Phillies defeated the Boston Braves, 10 to 6, in a sloppily-played game. Rain postponed the second game.

A double header between the Chicago Cubs and the St. Louis Cardinals resulted in a split victory. Hack Wilson and Jim Bottomley each hit two home runs. St. Louis won the first game, 11 to 6 and the Cubs the second, 18 to 9.

The St. Louis Browns split a twin bill with Chicago White Sox, winning the first 11 to 1 and dropping the second, 1 to 0.

A double header was divided between the Detroit Tigers and the Cleveland Indians. The first game went to the Tigers 10 to 5 while the tribe rallied in the eighth and ninth and won 4 to 3.

The New York Yankees and the Washington Senators broke even on a double header. The Senators won the first game 5 to 3 while the Yanks captured the second, 5 to 4.

TILDEN, HUNTER ARE DEFEATED

Wimbledon Stadium, England, July 5.—(U.P.)—W. T. Tilden and Frank T. Hunter, star American team, went down in defeat in the men's doubles of the all-England tennis championships today in much the same manner as they previously had been eliminated in the singles.

Tilden and Hunter were defeated by Gerald Patterson and J. B. Hawkes of Australia, 7-9, 7-9, 6-4, 6-4, 10-8. After winning the first two sets the Americans fell before the vicious attack of the antipodean pair.

By their victory Patterson and Hawkes reached the final.

Miss Elizabeth Ryan, of California, and Mrs. Randolph Lycett, of Great Britain, entered the semi-final of the women's doubles, today, by defeating Mrs. Pat O'Hara Wood and Miss L. Bickerton, of Australia, 7-5, 9-7.

They will meet in the semi-final Mrs. Michael Watson and Miss Peggy Saunders, of Great Britain.

DECATUR YOUNG MAN IS DROWNED IN WABASH RIVER

(CONTINUED FROM PAGE ONE)

let Walter drown," remarked Mr. Butcher, who immediately dived over the dam. Mr. Butcher did not come up right away, but a short time later his back was seen protruding above the water at a point nearly 100 feet down the stream. Some men who were standing on the bank waded into the water and carried him out. Mr. Butcher was unconscious and resuscitation was begun. He was revived after several minutes' work. There was a cut on his forehead, indicating that he had struck his head on a stone when he dived over the dam.

Body Is Recovered

The water at the foot of the dam, was rapid and swirling. All men present were more or less strangers there and none would venture into the swirling water, especially since two men had gone down there. More than an hour later, some Markie men, who were acquainted with the river there, were brought to the scene of the drowning and they succeeded in locating Walter's body in about four feet of water, and bringing it to shore about two hours after he went down. Efforts were made to revive him, but to no avail.

The young man was afflicted with heart trouble and his father said today that he believed the boy suffered a heart attack during the excitement. Only recently, a physician examined Walter and told him he would have to be careful on account of his heart being weak.

Sophomore in High School
Walter Bodle would have been a sophomore in Decatur high school next fall. He was a member of the high school track team last spring.

KONJOLA FILLED HIS SYSTEM WITH NEW LIFE ENERGY

Entirely Free Of Stomach Trouble Since Taking This Medicine.

"Konjola did everything claimed for it in my case and I strongly endorse it to others," writes Mr. Frank S. Swanson, 312 Ridge Road, Gary, Ind.

"My stomach was so disordered that I was forced to take soda two or three times a day to stop the gas pains and sometimes I would be in misery for several hours after eating. I was always short of breath and quite often I was so weak I could hardly stand up. All this suffering made me very nervous and at night I could never go right off to sleep like other people.

"Two bottles of Konjola completely relieved my stomach trouble and I am entirely free of all the miseries I used to suffer after eating. My nerves are a great deal stronger and I enjoy sound, peaceful sleep at night. Those who suffer in poor health will be surprised at the effects of Konjola."

Konjola is sold in Decatur at the Smith, Yager & Falk drug store, and by all the best druggists in all towns throughout this entire section.

and won second place in the high jump at the sectional meet held at Fort Wayne. He was well liked among his school mates and by all who knew him. He was a member of the Baptist church. The youth was born in Decatur, January 4, 1912.

Surviving are the parents and three brothers, Odes, Raymond and Wayne, at home.

Funeral services will be held at the Baptist church at 10 o'clock Friday morning, with the Rev. O. E. Miller, pastor, officiating. Burial will be made in the Decatur cemetery.

Protect your investment in your MODEL T FORD

THE Ford Motor Company is making a new car, but it is still proud of the Model T. It wants every owner of one of these cars to run it as long as possible at a minimum of expense.

Because of this policy and because of the investment that millions of motorists have in Model T cars, the Ford Motor Company is devoting a large part of its factories to making parts, in order that owners may enjoy uninterrupted service for many years to come.

More than eight million Model T Fords are still in active service, and many of them can be driven for two, three and five years and even longer at small cost.

New fenders, for instance, cost from \$3.50 to \$5 each, with a labor charge of \$1 to \$2.50. Tuning up the motor and replacing commutator case, brush and vibrator points costs only \$1, with a small charge for material. Brake shoes can be installed and emergency brakes equalized for a labor charge of only \$1.25. A labor charge of \$4 to \$5 will cover the overhauling of the front axle, rebushing springs and spring perches, and straightening, aligning and adjusting wheels.

The labor charge for overhauling the average rear axle runs from \$5.75 to \$7. Grinding valves and cleaning carbon can be done for \$3 to \$4.

A set of four new pistons costs only \$7 and an installation charge of \$6. For a labor charge of \$20 to \$25 you can have your motor and transmission completely overhauled. Parts are extra.

All of these prices are approximate, of course, because the cost of materials needed will depend on the condition of each car. They show, however, the low cost of putting the Model T Ford in shape for thousands of miles of additional service.

See the nearest Ford dealer, therefore, and have him estimate on the cost of reconditioning your Model T Ford. He will tell you, in advance, exactly how much the complete job will cost.
